## *Introduction*

Of all names that is known in the world no other generates much controversies than the name JESUS. Many questions and opinions have been expressed regarding the identity of Jesus most of which is in relation to his Immaculate Conception, crucifixion, resurrection, ascension and second coming.

Many people over the course of time have provided all manner of answers and opinions that they call the real gospel truth on the subject matter of Jesus. Many say the early church has misled the today Christians into believing in what some regarded as mythical lies and nothing more. Some says Christ was just an ordinary man and just like any other man he married Mary Magdalene and had children by her. Others say the crucifixion never took place let alone a resurrection. Some simply regard the whole Jesus saga as a political propaganda wrapped up with much cover up by the early church all for the purpose of economical world domination.

Many have decided that the common sense belief notion to adopt to spare ourselves from all the belief ideas and troubles is to belief there is no God. We are who we are because of who we are and it is as simple as that.

Irrespective of all the negative views and opinions flying around, today millions of people in the world consider themselves as Christians. The

*The truth*  
*In Jesus Own words –Part 1*

question is, are all these people foolish to have believed in Jesus as their true messiah. It is either the negative views or opinions expressed about Jesus are all true or the gospel account of the bible that most Christians believe in is the truth.

The question for most of the observer of these things is what really is the truth amidst all the available information in the world that is called the truth. The reference point for all Christian on the question of the truth is the bible. However, even with the bible, many have said that the bible is nothing more than lies compiled by the church as part of their fraudulent game plan to defraud the world into believing that Jesus is the Son of God.

The fact of the matter is we all like to listen to stories of scandals, cover-ups and espionages and the Jesus story is no exception. The world is a wilderness jungle and in the wilderness jungle of the world, there are all kinds of information flying around and most of this information is nothing but deadly arrows to prevent man from finding the truth.

The bible we would all agree is an ancient text and none of the characters within it is physically walking on the earth today to authenticate the account therein. Therefore, it is of no surprise that those that are walking on the earth today that we see physically sees it as their world aim to give meaning not just to the past but also to the future of mankind, the earth and ultimately the universe as whole. This

*The truth*  
*In Jesus Own words –Part 1*

quest to give meaning to everything has created an obsessive search mind for mankind and in this end time the obsession is on the increase.

The result of this obsession is not clarification of the truth rather more confusion amidst all the conflicting opinions, views and so many acclaimed evidence. The truth is we live in a world of conflicting information and if you and I are to know the truth, our search for this truth must go beyond the natural realm of the human flesh.

We cannot discover spiritual truth by carnal search and if Christ is indeed the Son of God hence supernatural how can any natural search reveal the truth about him? If the answer to the question who is Christ is something we can only find through our natural search, then how would we know when we have found that truth about him in the midst of all the conflicting information that is around in the world today? If we say the bible account is true then we simply stop from further search but if we say, it is a lie then it means we have to find or make up our truth.

How do we know the bible account is true or false? Man in this current age relies on archaeological and scientifically proclaimed fact to determine the truth about all things. However, the problem with such reliance is that there are too many conflicting findings and the problems with some of them is that the conclusions are non-

*The truth*  
*In Jesus Own words –Part 1*

conclusive because it changes from one minute to the next. Who then can truly say one finding is false and the other is not. With the bible for instance, some say they have archaeological evidence that it is true and some says they have contradicting archaeological evidence that proves it is all false.

Life as I said is a mystery and our journey here to earth is to discover the mysteries of life. Who really is an expert on events that took place thousands of years ago. Most that we regard as experts today are less than one hundred years old on earth yet they give expert opinion not just on events of two thousand years ago but on what they call the events of millions of years ago. How can they accurately say the opinions or views that they provide is true is my question.

What if the bible account of Jesus is really the truth and the real lie is the negative views and opinions. Can we truly accurately say something happened or did not through our carnal research in the world and if yes which of the conflicting views or opinions can we safely call the truth? The world is like a huge airport with many daily checking in and out. We that are here today are obsessed to determine the truth about those that walked on the earth before us particularly the figures behind today's beliefs and ideas.

Man in the world today has many beliefs all based on ideas from the past. The figurehead for our Christian belief is Jesus and in the world

*The truth*  
*In Jesus Own words –Part 1*

today no other that is regarded by the world as figurehead from our past is singled out for much criticism and attack than Jesus.

As for the church, the worldview of the church today is that it is no more than an out of date political institution who in the past suppressed the truth about Jesus all for economical and political gains. This view is formed because of the conduct of the world church most especially in the past towards those that are seen to have a heretic view or opinions. In the olden days there was restrain by the church on what anyone can say about Jesus however unlike the olden days when heresy means death anyone in this day can say anything about Jesus and no one will call for such person to be put to death for heresy or blasphemy. Many have taken this freedom of expression to the highest level saying whatsoever they like however they see fit and worse of all many have made millions from selling Jesus cover up stories.

The fact is if Jesus is the truth then everyman must discover the truth about Jesus for themselves for the truth is a personal conviction and if you do not have the conviction of my truth as I have it then you cannot simply agree with me just because I believe strongly in the truth that I have. We are all here to discover the truth for ourselves. If there is a belief already that people are in the past forced to adopt a view that they cannot question then the story of a cover up in the present will be easy to believe.

*The truth*  
*In Jesus Own words –Part 1*

We all need to find the truth for ourselves. If we are debarred from asking questions in this day just as in the olden days when the attitude was to simply accept things without question then no one that has a hand down idea can really be sure that what they have is the truth. God made us to have a free will and to choose right we must have all the right information hence God himself does not expect us to accept things as they are without proper questioning.

As human beings, we are very inquisitive and we are inquisitive because of our spiritual nature to find the truth. Our obsession about the past is out of our human instinct to discover the truth. Everything that governs our present day particularly in terms of faith and religion is all from the events of the past. Our past therefore in this sense is important to us for unless we discover the truth about our past then the present makes no sense at all let alone the future.

The mysteries of yesterday we seek to discover in our today to give meaning to our today.

The only problem with this discovery search in relation to whether Christ is the truth is that there are too many negative stories around today about Christ the figurehead of the church. As for the church that he is the head, the problem of whether Christ is the truth is exacerbated further by the many negative talks today about the church.

*The truth*  
*In Jesus Own words –Part 1*

Everyman has a belief whether is of God or that there is no God. For those that believe in God how can they be certain that their belief is truly godly in the midst of all that is called truth in the world today. Many today practice an idea that they are unsure of and most of these ideas are hand downs from one generation to another without any questions asked. Unless you are soulfully convinced of your belief, you will be easily convinced by others to buy their truth to have as your own a truth, which they themselves are unsure of.

How in light of all the confusion of the present day can we really answer the real questions of life as it pertains to past present and future with accurate precision in this jungle of a place that we call the world today?

I for one have always wanted the answers to the following questions: Is the mortal body the beginning and end of human life existence? Is the world complete reality or full of illusions? If we are spirit beings, where do we go when we leave this mortal body and where do we come from. Is this world the beginning and the end or just a place for us to find the real world? What is the true meaning of life and does life begin at birth and end at death. Why is there so much evil in the world.

With the many versions of the truth around how can anyone be sure of his or her believed version of the truth that it is the truth?

If indeed there are covers ups pertaining to either the Christian faith or any other matter what could be the purpose for such cover up. Could

*The truth*  
*In Jesus Own words –Part 1*

it be true that thousands of Christians in the world are foolish to believe that Jesus is the Messiah? These questions are just few out of the many that I had always wanted concrete answers to. However, the only thing I got from my natural search into these questions was more questions upon questions.

Let us for a minute take a breather from all the controversial issues surrounding Jesus and take a closer look at the main principle governing our Christian faith itself because in the midst of all the controversy this is one thing that emphasis is no longer laid upon. The main principle of our Christian faith is that Jesus died as sin to abolish the penalty of sins for us, which is eternal death damnation. In addition, that Christ Jesus as the Son of God and God's image revealed shall return to judge the world just as the world judged him. Whosoever he finds to be in sin upon his return he shall condemn to perish in an eternal lake of fire. This I must say is a serious matter and if it is indeed the truth, I would say it is worth finding out. Suffering in this world for a short space of time is unbearable and as a result, it would be unimaginable suffering if someone were to end up in an eternal lake fire to suffer everlastingly without an end. This is why for you and me it is important to find if this is the truth before it is too late.

If the Christian principle is true then it means everything else said that is outside this principle are all lies to prevent man to discover the main

*The truth*  
*In Jesus Own words –Part 1*

truth. If we are all here to find the truth and Christ is that truth why then you may ask is it that so much resources and attention is given to prove that the entire Jesus deity concept is nothing but a lie.

What would be the motivation for anyone wanting to spread negative lies and rumours about Christ if indeed Christ is our only hope of an eternal life of peace? If we are all spirit beings, could it be that there are darkness forces in the spiritual realms and that this darkness forces are engaged in much cover-ups so that we do not find the true Christ. What if Jesus is really the Son of God and as the Son of God, the image of God revealed. What if Jesus really died for our sins and as a result, we have perfect salvation through his blood.

One thing that is clear to me in my search to find the true answer to these questions is that whether the bible account is true or false is not something that we can determine by natural carnal search. For without a doubt, I know the world is full of many cover-ups to prevent the human beings of this world from discovering the truth and no one can be certain of the truth from a natural mind search.

Our Christian belief is that the consequential effect of not finding the truth, which is Jesus, is highly catastrophic for the soul. If this is a fact then surely everyman must seek to find this truth to save their soul from eternal death. Why then is it that many are simply antichrist

*The truth*  
*In Jesus Own words –Part 1*

instead of all for Christ if he is indeed the one that can save. If Christ is the truth and we do everything to prove that he is all a lie do we not say that we are our own number one enemy. Are we really in control of our life purpose or could it be there are higher forces at work that are behind the scenes using man against man to the soul detriment of mankind.

The world is a market place and many in the world are not just satisfied to keep their truth to themselves but desperate to sell their own truth to you. Just when you thought, you have the truth and are now sure of what the truth is someone else will come with his or her own story account of the truth to sell to you. In the midst of everything the world deems the truth how can be sure of the truth. Only the truth can set us free and this is the reason why everyman must embark on a soul search to discover the truth for themselves. Without the truth, the human being in the world will continue to purchase lies from the world market and in blind cover of lies will try to grope for the way in the dark. The question is can anyone that is blind ever find their way in the dark?

To find the truth we must search in the supernatural for unless we do so nothing in this world will make sense to us.

If Christ is the way, we all need to know it and if we regard lies as truth then we cannot see the truth as the truth. We all love stories of cover-

*The truth*  
*In Jesus Own words –Part 1*

up not for fun sake but because deep inside each and every one of us we all want to find the truth whatsoever it may be. We would all like to know whether we have been deceived or misled Christian or no Christian.

As a Christian my conviction of what the truth is, is not manly afforded or through carnal discovery but by Christ himself following my embarking on a spiritual search journey. This is why I am able to say that Christ for me is the truth because I know Christ lives in me and because he lives in me my entire testimony is of the living Jesus.

I not only discovered in my spiritual journey that Christ is not dead, but that Jesus is alive today as much as he was before his crucifixion two thousand years ago. I found without a doubt that the negative opinions and views are all a darkness forces game plan to rob man of their true inheritance, which is eternal life of peace with God the creator.

You may at this point say you are a Pastor so what else could we expect you to say. The truth is I have not always been a Pastor, In fact even through I was born into a Christian family my views before my spiritual awakening were very much antichrist. Although I have always believed there is a God when it comes to Christ, I had no idea of his significance to my Christian faith and belief.

*The truth*  
*In Jesus Own words –Part 1*

I believed in God as a matter of logic idea that the earth cannot just evolve out of nowhere if I believe that someone is responsible for the building and design of a simple structure such as the house that I live in. How much more is the universe that appears so complex in making? Even though I believed in a God more of logic than conviction, I was not what you will call a practising Christian. In fact, when it comes to the whole idea of Christ, I had greater scepticism than someone that does not regard themselves as a Christian. However, all this changed following a Godly encounter that I had starting from the later part of 2003.

Leading up to this time starting from around late 2001 I started to feel as if my life was going nowhere and it was as if all doors were sealed and everything was at a stand still.

I became very depressed about everything.

I hated everything about my life and I hated what to me I see as a world full of injustice, inequality and unfairness. I felt a kind of burden that I find hard to explain to anyone and the more I thought about my life the more frustrated I became. I felt as if I was trapped doing what I really do not enjoy doing and this made me to be even sadder because I could not see any way out.

I have always enjoyed helping people and for some reason I felt that I am here on earth to offer people some genuine help and practical

*The truth*  
*In Jesus Own words –Part 1*

solutions and I was very frustrated by the fact that I felt I was not doing this as I am meant to.

Life in general as far as I was concerned has always appeared to me like a rat race that involves engaging in repeated daily routines.

Most of the time I felt completely alone and during this period I felt even more alone. The more I deliberated on my life the more hopeless I felt and the more this feeling of hopelessness increased the more depressed I got. The more depressed I got the more I kept thinking I was better off dead than to continue to live in what I consider a sorrowful world.

The strangest thing in all of this is that everyone around me often looks up to me and sees me as someone with high life potentials.

This made things even harder for me because I felt there is no one I could talk to that will understand what I was going through.

Things got from worse to worse for me emotionally and the worse things got the more I saw God as my enemy instead of my friend. Things got so bad to the point that I saw suicide more and more as my only option.

The turn around to my life came about in October 2003. I got so distressed and out of sheer frustration, I sought God one night as I have never before. I asked too many questions such as why am I here on earth. What is my purpose and does he ever listen at all to me. I

*The truth*  
*In Jesus Own words –Part 1*

realised how hopeless and helpless I had become and wondered if God could see just how hopeless and helpless I was. I begged him to come to my rescue if he can hear me and said I was tired and in desperate need of his help. I also asked him to forgive me if at all I had offended him but at the same time I could not help but blame him for everything that had gone wrong in my life after all he has all the power. I was at a breaking point at this time and I was desperate for some form of breakthrough. Life had no meaning to me and I wanted to know the meaning of life.

I cried so much that night and when I woke up the following day, it was with a headache.

The following day was Sunday and at this point, I had stopped attending church on Sundays. Church was nice but I needed more than simply going to a church.

When I woke up I deliberated some more on the events of my life and after much deliberation and the usual daily routines I decided to watch the telly.

I switched my television on to the news channel and as usual, it was the same horror stories. The news was all about death, war and one disaster after the other.

I changed the channel after a few minutes of watching as it was making me to feel even more depressed and hopeless about my entire life. I

*The truth*  
*In Jesus Own words –Part 1*

choose one of the Christian Channels and found that a preacher that I had listened to a number of times was in the middle of a sermon.

I was about to change the channel again when I realised that the sermon was about life's purpose so I decided to listen.

The Preacher talked about our purpose in life and the main theme of his message was that God is a God of promises and if we look in the bible, we would find his promises to us.

He stated that we should all be positive in our thinking and when we are down we should look through the bible for God's promises and when we read the bible we should form a habit of highlighting God's promises and knowing them by heart to encourage us.

The message cheered me up a bit and given the state of my mind, I could well do with some cheering up.

As I was listening to the message I wondered about the promises spoken about by the preacher and wondered also how it relates to me. After I finished listening, I decided to look through the bible for the promises the Preacher spoke about.

My only use for my bible as I said has always been for under my pillow and the only thing I am familiar with in the bible is Psalm 23. Therefore, when I picked up my bible on that day I had no clue where to begin.

*The truth*  
*In Jesus Own words –Part 1*

It was like finding a needle out of a haystack but I was desperate so I decided to read the bible like a novel.

I opened the first book Genesis and began to read from verse 1. By the time, I reached verse 3 something amazing happened to me that was beyond comprehension.

For some strange reason Genesis chapter 1 verse 1 to 3 meant so much to me and just from reading it, I felt like someone has lifted off a veil from my face. I heard a voice whispering some things to me and they were soothing to my ears.

At first I was not sure if it was my wishful thinking but even though I was not at this point sure what has happened I knew something has happened or better still about to happen.

After this experience, I suddenly became a lot more interested in praying not for the things that I had always wanted to have in the world but to know God and for God to draw me closer to him.

I also became interested in reading the bible but because I had no idea where to find anything I will simply just open it and read whatever page I have opened.

In February 2004, I had another experience that puts everything in higher perspective. I had continued everyday since my 2003 experience before going about my daily routine to read any bible page that open followed by a little prayer to God to draw me closer to him.

*The truth*  
*In Jesus Own words –Part 1*

However, on this very day in 2004, something tells me to read Acts chapter 2 and after I had finished reading, I decided to say my little prayer as usual.

As I open my mouth to pray I could not say a word, instead, I busted into tears and I could not stop crying. I cried so much to the point of having a blocked nose and as I was crying I could not stop singing the song I love you Lord and Lord I give you my heart, I give you my soul. Then suddenly like a force of wind everywhere and beyond my imagination and human comprehension, I started to fall everywhere and each time I fell, I will get up only to fall down again.

After several fallings and as it became obvious that I could not stand without falling I choose to remain flat on the ground. I do not know how long I was flat on the ground for but when I rose up again, I open my mouth and I started to speak in tongues.

The amazing thing was that I understood everything that came out of my mouth and in translation it goes like this “**woman thou are loosed. Rejoice, today I have fully delivered you from the claws of Lucifer. Your heart was hardened and I had to circumcise it. Now in good circumcised heart you are totally free from all shackles and bondage. In total freedom go into the world and proclaim the gospel and I will be with you to the end of days**”. When the interpretation came to me, I could not curtail my joy.

*The truth*  
*In Jesus Own words –Part 1*

I started to jump up and down in so much excitement shouting I am free Jesus is Lord. I felt like calling a world press conference, say to the whole world Jesus is Lord, God is real, and I know. I know because I feel totally free and even though I could not explain this freedom I just knew I am free from something that has been compressing me all of my life.

In the 2003 experience, it was as if someone had lifted off a veil from my eyes but in this 2004 experience, it is as if my eye is not just open but I felt I am now completely free.

From this day onwards, the soft voice that I believed I heard back in 2003 became clearer in my mind and as it got louder, I became convinced without a doubt that this is the God, which the bible is all about conversing with me.

I felt like an investigative reporter that has landed on the biggest scoop ever, which is that God does not just exist but he speaks and I can speak to him.

Not only was God speaking to me I find that he was prepared to answer any question that I may have. I also found that God is indeed one God and this one God is in three persons, which is God the Father, the Son and the Holy Ghost. When I realised that this Trinity one God was prepared to answer any questions that I may have I started to ask him the questions that have always troubled my mind

*The truth*  
*In Jesus Own words –Part 1*

and the answers he gave me were just amazing. He became my teacher and as time goes on he instructed me to set up the Freedom House International Ministry. God’s revelations to me is an everyday event and the amazing aspect of it all is that he enabled me to write down this things for the benefit of humankind

He calls these teachings “**Revelations in Master Dominion**” and the first ever revelation lesson God gave me is about “God as the forgiver”. This teaching is in many parts and is in actual conversations context with God.

The first part of my conversation account is now a published book titled **Revelations in Master Dominion - Actual Conversation with God Part 1**. It is available on Amazon and from most reputable internet bookseller sites or you can order from our site by clicking on the book picture.

The publication of this book is for me made possible by God’s grace because even though it contains powerful revelations word from God I discovered that the world of book publishing including Christian book publishers is not so much about contents rather it is all about whether you are a known face or not. It is all about marketing and the actual product is not the contents but the writer. In the end, I had to look into the world of self-publishing and I thank God for providing the

*The truth*  
*In Jesus Own words –Part 1*

means and avenues to have the book published despite all obstacles and barriers.

To date God has revealed so much to me and his revelations to me is continuous. I know from my encounter that we are not alone in the universe and that there is another world, which is the object of our entire search in this world. In this real world, I discovered there is no pain, sorrow or death. I also discovered that no one can enter this world except through Christ. God opened my eyes to see that this world is a world of the walking dead. Many people walking around in the world are dead spirit beings and as dead spirits hates life message for the will of death is to oppress the soul in death to perish forever.

With all that I have seen and experienced I am able to say with total conviction that there is life after death and this life of eternal peace and rest we can only have through Christ. We are all spirits beings and as spirit beings the human body is just a shell for the spirit to hide in. Once the spirit leaves the body the body becomes extinct and unless you find the way before the body extinction you will continue to go round and round in the circle of death. A dead spirit is a void spirit and no man on earth can find his way through the jungle of the world to be in awakening of life without the help of Christ.

*The truth*  
*In Jesus Own words –Part 1*

Through God's opening of my eyes I found that man has no chance of finishing the race of time in total victory without the help of Jesus. This is because the opponents of man are not the man that you see but evil fallen angels. I discovered that these angels are like aliens living amongst man working from the inside of man for them to be against each other.

Christ opened my eyes to see the world and all I can say to you is that life is indeed full of mysteries. What we see is not what it appears to be and what we do not see is really, where the truth lies. No one can see spiritual facts with ordinary eyes. Unless the one with all power and authority opens eyes to see the search of man in the world for the truth will all be in vain.

Christ by his grace has enabled me to make this message available to you so that you can discover the real truth about him. The revelation from Christ contained in this ebook and in others that he has enabled me to write is a necessary read for all humans. It is the truth, as you have never seen it before for it is the word of Christ as spoken by Christ himself.

Before you finish reading you will know for once that Jesus is not dead the word contained in this free ebook is Jesus' own word. The world have many Jesus versions but there is only one Jesus for me that is the truth and as the truth the way to eternal life of peace, joy and rest.

*The truth*  
*In Jesus Own words –Part 1*

Life is all about convictions and if your soul conviction is all lies then your heart will be hardened against the truth.

This is the game plan of the wicked and it is for this reason that darkness spiritual forces motivates man to spread deadly rumours to prevent mankind from finding the truth.

My conviction about Christ is without a doubt for it is a spiritual soul conviction for only if our spirit is convinced of the truth will our soul rest. We are all here on a mission, our mission is to find our lost souls, and we will only find it when we discover the spiritual truth of life. My spiritual search reveals to me that the Jesus the gospel gave account of in the bible is the truth hence the gospel is called the good news.

The gospel is the good news because it is the news of eternal life not of eternal death. The entire purpose of darkness lies is to trap man in eternal damnation of death and unless a man finds the truth in time, his soul shall perish in death forever. I have fully discovered in my spiritual journey that no one can hear the gospel from the world for the world is only interested in death, sad and sorrowful news.

The Christ that I found in my spiritual journey is not dead and just as he spoke then he speaks today. In this written account of my revelation experiences with God, Christ in this up date sermon just like in the olden days calls the nations to repentance. In addition, to set the record straight, he speaks on the many controversial subjects

*The truth*  
*In Jesus Own words –Part 1*

concerning him today including on the issue of Mary Magdalene. This is the gospel of Jesus preached by Jesus today and you need to read it for yourself to make up your own mind about the true Jesus. Christ speaks today just as he spoke then when he walked the face of this earth. Christ dictated this up to date sermon unto me to give to the world so that we know for sure that he is alive today and always shall be because he is indeed life and as life the one through which we can all have eternal life. As you read may the Lord Jesus himself as he opened my eyes to see beyond the ordinary open your eyes of understanding to see him as the truth that he was, is and always shall be now and forevermore.

## **CHAPTER ONE**

### **I AM THE WAY, THE TRUTH AND THE LIFE**

---

#### **RISE UP MY SOUL AND WORSHIP THE LIVING GOD**

---

Father I rise in my spirit to worship you today to receive your instruction and to hear your word for the goodness sake of your glory. Unto you Lord be all honor oh God of the universe the giver of life. Who have seen God with their own ordinary eyes? Who knows all that the Lord knows? Who teaches the Lord all that he knows? How excellent is your name oh Lord and how perfect are your deeds.

In heavens and on earth I praise you my king for I am very grateful for all you have done for me. JEHOVAH, I reverence you in my spirit and I praise you in all that you have made me to be. Greater you are oh Lord in me than all that is in the world for in your light I see and for your goodness glory you have established me in your word for goodness sake. You are the only one that knows all things and able to do all things. Thank you oh Lord for in this day you have opened my eyes to see beyond my humanity.

You have placed me in divine knowledge in your divine love for me. You enable me daily to do your will for your name sake. You make

*The truth*  
*In Jesus Own words –Part 1*

way for me daily where there is no way. I give you all the glory and honor for you are oh Lord my all in all. Who oh Lord can shut the door that you have opened? Who can open the one that you have shut? No one is able to do all things except the Lord of host the king of kings and the Lord of lords. You are the king captain of the heavenly host and you ate all power of victory. You are the keeper and giver of the sword of life. You are the truth of life and defender of faith.

In your own faithfulness to goodness, you reign supreme in the entire universal realms and for you are good, I am saved by you for your goodness name sake. You are the light of my soul and redeemer of my spirit. You are the Holy Spirit of life and as the Holy Spirit of life the only one that have all wisdom and all entire knowledge. You imparted your divine knowledge and wisdom to me so that I do not perish in carnal reasoning. In your divine holiness, you lead men to be of valor and women to be of virtues of life. In your divine righteousness, you feed me with your perfect word of truth daily.

The Lord comes soon in his power and his glory. All eyes shall see that Jesus is Lord. Your word is truth and shall endure forever. Oh, Lord you have opened my eyes to see things that man is yet to see. In your tender mercies, you make the weak strong to show the world of your power and glory. The Lord Jesus comes in his light and the whole of

heavens and earth rejoices for they say the end of sinful wickedness has come.

Blessed are those that judge the poor right in giving relief to the poor for they shall never lack in eternal life. *The truth*  
*In Jesus Own words –Part 1*

Blessed are those that seek always to do what is right as I have established it as right for they shall have all my entire righteousness rewards forever.

Blessed are you if you are tried and tested for my sake for you shall inherit the New heaven and New Earth. Be joyful and be glad oh ye saints in all that you go through in the world. Rejoice in all your trials for blessed are you if you take a stance for the truth. Blessed are those that persevere in their trials tribulations for they shall have everlasting victory.

Blessed are the compassionate for they shall always have my compassion. Blessed are those that profess the truth for they shall walk in reward of goodness prophecy of life in eternal life.

## **WOE TO THE LIARS**

---

Woe to the deceivers for they shall perish forever. Woe to the liars for they shall never see the light for the truth is light. Woe to the dishonest for they are guilty of sin and in sin in condemnation of death. Woe unto those that kill the innocent for the blood of the innocent shall be upon their heads and they shall pay for it with their own eternal death. Woe to you all those walking in darkness of mystery Babylon for you have fallen just as that dark angel Satan.

Repent for the hour of judgment is round the corner and all things may pass by but my Word shall not go unfulfilled. Have you not all accused me of lying? If I do not return as it is written then you shall say God is a liar still just as the first man Adam accused me of lying and he died. Who amongst you is able to see beyond your nose? How long have you spent on earth that you call yourselves expert on eternity.

You fools I say again except you repent you shall perish in condemnation of your own sin. I am the truth and as the truth, I speak to you now the true words to remove from you face the darkness veil of lies. Many of you dress down the truth in your vanity hearts and I say if the truth is dressed down, it is no longer the truth. Many of you

*The truth*  
*In Jesus Own words –Part 1*

dress down the truth for fear of death for you are already dead for if the disciples were like you afraid of death would you have still the gospel today oh ye people of no faith.

You hate the truth with passion because you desire to remain in sin so you call the truth lies and lies the truth. Woe to the world of sin for Satan is amongst you ruling you in wickedness compression for he is death amongst you and he deceives you to devour your evil flesh to the eternal death of your souls. You hate the truth because the truth is like a bee sting to your flesh. You hate the truth because it is like hot coals of fire to your flesh burning your flesh of sin and roasting it in deep fire of the truth.

Which is better that your flesh be roasted and your soul be set free or that your flesh be kept vibrant in sin to the eternal death of your soul. The choice is yours oh mankind in mystery Babylon for I gave you all a free will to choose and by the choices you make you shall be judged in the final day of judgment.

The truth cannot be covered or buried for lies may go on for a thousand years but the truth will surely appear one day for the truth can never die. Only the truth can set you all free and only the truth is light.

*The truth*  
*In Jesus Own words –Part 1*

Lies is darkness and darkness places you all in confusion. You are all confused for you chase nothing but the lies of the devil and you find nothing for all the devil has is nothing.

Repent I say to ye Jews and to all Gentiles for the time of judgment is here and the judgment of the world shall be slow and gradual for you have knocked at the door of evil now evil shows his evil face and you cry.

The many dead bury the many dead for the many souls are dead and the many dead souls are compressed in hell.

When shall you see that the truth is not in the world for the world is a world of death and death does not wish for any man to see.

No one dines with death and does not end up as food for death. Satan is the angel of darkness and Satan as the angel of darkness is my prisoner before the foundations of the earth. You have become prisoners with Satan and Satan being the first and the last in the eternal prison yard oppresses you all in his own darkness evil for he sees your heart that it is extreme in desire of evil.

Who can deceive I the I AM. Who can mock me the creator and Most highest of all. I am the highest dwelling in the highest. I know all things as the highest and see all things from sitting in my highest Mountain. I am the God of Abraham, Isaac and Jacob and I am the only God that must be served. I am the Alpha and the Omega and

*The truth*  
*In Jesus Own words –Part 1*

with me all things are possible. I am the light of the universe and I am all in all. I see you all running around like a hamster running on a wheel making no progress at all for you look and you do not find. You seek in the wrong places so you remain stagnant.

You knock at the devil's door seeking power and he invites you in to devour you.

You seek in heart and mind of vanity and Satan gives you false hope placing your mind in wickedness to remain in condemnation of his own death.

The secret of the world is not in the world. For those in the world do not see that they are the dead and as the dead must repent to be raised up so that in resurrection they see not with the eyes of the world but in my spiritual light. The secret of the world is in the spiritual for the world is blind and in blindness of the world no man can see beyond the world.

---

**AWAKE OH YE JEWS AND GENTILES**

---

Awake oh ye Jews and Gentiles for you travel in vain going round and round in circle of death instead of exodus march to Zion and in the end day you shall perish forever for not making it to Zion the city of lights.

*The truth*  
*In Jesus Own words –Part 1*

You have all heard many things and you have all crucified Christ for you say Christ is a liar.

If I be a liar then is man and the devil the truth. If I be a liar then what do you call yourselves?

You seek to know the invisible through visible things. You fight spiritual war with carnal weapons. You give carnal answers to the things of life. You call yourselves experts even though you have no idea where you are or who you are.

You hide in the closet to do evil yet you say you are wise for if you are wise would you not know that nothing is hidden under the sun to me and in anywhere from me in any dominion dimensional realms for I see all and know all. You do all that you do in wickedness thinking that you own the world and shall rule the world even though you came naked and shall return naked. Is that not foolishness for where are those of yesterday that were wicked? Have they not been and gone to be in the dungeon of eternal death?

The wicked are in the pits already roasting and in the last judgment shall never be set free from their eternal prison. You fools that call yourself the wise and in seeing yourself as the wise do you not remain in foolishness.

You form your evil cults and engage in your wicked evil thinking that no one shall hold you to account for your deeds.

*The truth*  
*In Jesus Own words –Part 1*

Do you not know Satan himself whom you dine with shall testify against you about your wickedness?

You are fooling no one but yourselves and those of you that believe you have the truth spreading lies I say woe unto you all.

As written in Psalm 24, the earth is mine. The earth and all that is within it belong to me for who amongst you brought anything that you see on earth to earth in your coming to earth.

You who breathe my air, enjoy my sun, drink my water, walk on my ground and have the benefit of enjoying my creative works call me a myth. Is the air that you breathe a myth and if you depend on the air even though you do not see the air how then am I a myth for I am invisible.

If you look with your ordinary eyes how can you see the extraordinary and for if I AM The GREAT I AM how then shall you see me with your ordinary eyes in your evil dead flesh. I am a God of the living not the dead and as such only the living can bear witness and record of me. For the dead although shouts god they have no idea who is their god. For the living bear witness and record of me, I am their witness that they are of life. For they are of life, I place them in my living will to be in record of life in my book of life to be in eternal goodness of life in eternal life.

*The truth*  
*In Jesus Own words –Part 1*

If I am a myth is the devil also a myth or how is it when you do evil you say it is all the work of the devil. How is it that you believe the devil exists and I the Word, power and authority of life I am a myth. You speak word yet you say word does not speak is that not madness to think that I Word I am dumb.

If you say I do not speak how then could you say you pray unto me for if I do not speak then I must be deaf, dumb and blind you think.

Hence, you hide to do evil for you are in foolish mind of believe that there is no God. Those that say there is a God are full of hypocrisy. Concentrating on the outside and ignoring your inside. You engage daily in your vain noisy religion wasting your valuable times. I see all and I know who is for me. Those that are for me I will always be for them and whosoever I am for nothing can be against them.

You seek to validate me and I ask how is the invalid able to validate I the oracle of life. You are all on a pilgrimage journey on earth. The purpose of your journey is to find your lost souls and many shall perish on the way for their faith is of vanity thus they receive not the promises and fulfillment of eternal life. I am the reality of life and as the reality of life the oracle of life. I am the only one that can make you see and I will only make you see when your heart is in repentance from evil. Many of you that say there is God says God is too lenient with the wicked for you say he allows the wicked to get away with their

*The truth*  
*In Jesus Own words –Part 1*

wickedness hence the world is in a mess. I say all of man in sin is wicked and as the wicked already in condemnation sorrow of death. My desire is not to condemn the already dead but to raise them up and if you reject life to remain in death how then can you ever be in light of goodness. For death is a curse to the soul. Unless you repent and be in resurrection of life, your soul shall perish in death everlastingly.

I am a God that tries the heart for before man sees your evil acts and tries you for it you are already guilty before me. I came to dwell amongst you to place you in salvation and in salvation goodness inheritance. However, you rejected life for death for your hearts is wicked and in wickedness you seek to remain in death of your own sins.

There is no rest for the wicked hence the world is in chaos for the wicked amongst you are busy in their wickedness all the time. Many of you are sleeping the sleep of deep death yet you walk around parading yourselves as the living. Can the dead be the living?

The dead is the dead and the living is the living. Only the living shall dwell in my presence. Death is an abomination for a dead spirit is a demonic spirit filled with filthiness.

Although I Christ died as man, I live as life forever as the origin and oracle of life being the Word and as the Word the Alpha and Omega. All that I did I did to raise man up from the dead. However, for man is

*The truth*  
*In Jesus Own words –Part 1*

foolishly arrogant you continue to do everything to destroy your souls in death. In your canal mind and nature, you see yourself as the living even when you are dead how then shall walk to be in resurrection if you are the dead but believe you are alive.

Your testimony in death is of Satan so when man speaks of a god in death they speak of the devil not of me for no man can see me in death of sin for I am holy and as a holy God, I detest sin. Even though I hate sin with a passion, I came to save the sinful man from his own death. Just as I hate sin with a passion, man hates my righteousness with a passion for in death the desire of man is to remain in sin and not walk in goodness order of life.

Those that walk in sin are in opposite parallel of me and shall never find me. As God that is holy, I am divinely righteous and no one can be holy outside my righteousness. My standard of righteousness is divine and no flesh can please me by vain rituals.

I am one God the Father, Son and Holy Ghosts and as the Almighty one God the supreme ruler of the universe. As the Almighty king of kings that is the ultimate universal king ruler, it is not for me to lower my righteousness standards to suit the wicked desire of man. Instead, it is man that must repent from his evil desire so that I can accommodate his soul in my holiness kingdom.

*The truth*  
*In Jesus Own words –Part 1*

My ways are opposite to man for man is foolish to be desperately evil and wicked for life is for living and life that is for living is not for the evil and the wicked but for the divinely loving and compassionate at hearts.

The concept of love in the hearts of man is lust in sinful guile and in such sinful guile the heart and soul is always in wicked pursuit of terrible deadly desires.

I Christ I am RIGHTEOUSNESS of life. Man hates my righteousness as evidenced by the crucifixion of I Christ Jesus and I hate sin as evidenced by my judgment pronouncement on Satan the first and the last sinner. Sin is all about evil and the desire of man to reign in sin cannot prevail as evidenced by my resurrection as life for the entire goodness glory of I the Trinity God.

---

**THE SINFUL WORLD ORDER OF MAN CANNOT  
PREVAIL**

---

My life order must prevail in all dominion dimensional realms. The world order of man is prove and evidence of the death of his soul for no man in life as a living spirit shall seek to rule the world independent of me. I am the ruler of the entire universe and all things are subject to my divine kingly universal dominion rule.

My judgment is always just and be certain that you shall all be held accountable for your ways. It is better for you to confess, repent, and

*The truth*  
*In Jesus Own words –Part 1*

face judgment from man than to continue in your heart and mind of evil to be condemned to death eternally by me.

No one is able to escape from the prison yard of death for death himself is in oppression of his own soul and any man that is in heart and mind of evil shall be in the same burning fire with Satan forever without any means or chance of redemption or freedom of any kind.

I gave you my grace in time for you to repent and when time is finished then it shall be judgment time. No one shall be free from my judgment even though you all believe that you are the judge and ruler of the world and as such, you believe you can do as you please and no one is able to hold you accountable.

You believe you have the support of your cults so that is all. I say to be in the world cult is prove and evidence that you are in principalities compression from darkness realms. All spirits in the darkness realms are of death and they are ruled by darkness fallen angles.

To be in principalities is to be in confusion and in confusion established in false doctrines, concepts and ideas that never shall set you free but place you firmly in the hands of death to be eaten and devoured.

I the Great I AM I am a God of life principles. My principles is set and established in my righteousness and holy divine nature. No man in the flesh is able to abide on his own to my principles for my principle

*The truth*  
*In Jesus Own words –Part 1*

is divine and all man as flesh is canal. The world of man is a world of the evil dead. As world of the evil dead the world of man is in chaotic disorder for there can be no peace in death. The heart and mind in death is always fully engage in evil and in evil, the mind of man is in serious warfare.

The ways of the dead is destructive to his soul. The walking dead always seek to judge the living in their evil corruption. The dead has no power of judgment for all that are dead are in judgment of their own death. Power and authority of judgment is in the hands of the living not the dead for life is all about justice and just judgment can only be dispensed in the incorruptible not in the corruptible.

Those that condemn the righteous are in eternal condemnation of their own evil judgment and the righteous that they condemn shall have my everlasting glory forever.

---

**I AM THE DOOR TO ETERNAL LIFE**

---

To know I Christ Jesus as the truth is to be alive and to deny me is to be dead for I am life itself and as life, the only door to eternal life and no one can enter through the gates of heaven except through me. How can you understand the things of the spirit when your beliefs about the things that you see visibly change from one minute to the next? How can you hear the truth when you seek for the truth from the wrong

*The truth*  
*In Jesus Own words –Part 1*

places? How can you understand the scriptures when you have hired Satan to be your personal tutor and Satan as your tutor is only interested in one thing to lead you far away from the truth?

For he knows if you are ever to find the truth then he becomes to you nothing but the dust and you walk over him as real power and authority of life in me.

You seek peace from carnal things for in your carnal nature you are in opposite parallel to life. There is no peace in death for to be dead is to be in raging warfare as such, there can be no rest for the dead. To be spiritually dead is evidence that the spirit is wicked and as the condemned wicked in reward of wickedness through punishment of death. Your mind is at war and you are in street of rage yet you think all is calm not knowing that the enemy is in your inside destroying you from within.

I speak in this end time clearly, for many dark angels are amongst you to place the world in total darkness. This is the beginning of sorrow as I said in Matthew 24. Even though I am now making the truth very clear, many shall continue to do many wicked things for they have sold their soul to Satan and shall only be in mind to serve the deadly objective purpose of their wicked master. In all of these things let the saints be of good courage for all things always shall work together for the goodness of those that are in me and in me established to be in goodness purpose to be in eternal reward of life.

*The truth*  
*In Jesus Own words –Part 1*

Hold on to the truth for if you have the truth you have life and death is not able to compress you instead all that the devil does shall be to your own strengthening for the goodness glory of my holy name. If you reject the truth, you reject life for the truth is eternal life and I Yahweh Yeshua is the oracle of life as light.

---

**OPEN YOUR EYES**

---

Open your eyes oh ye children of Zion and see beyond the mystery of Babylon for Babylon has bowed to the image of the beast and are in the burning furnace in deep pain and sorrow.

Know for sure that I the Old Lion of Judah is the kings of kings and Lord of lords and those that walk in goodness shall never lack in goodness in eternity. The time to shine the light bright upon all the four corners of the earth has come. For in the last hour of the end time, mankind shall only be in mind of darkness. Before this darkness grips many and places them in dept of thick darkness, I the light of the universe make manifest clearly the truth so that you see with your spiritual eyes.

The just shall walk by faith of my love not by their visible eyesight for the eye sees nothing but vanity and as such the truth is invisible to the eyes. The wicked shall look and they shall not see their own death for

*The truth*  
*In Jesus Own words –Part 1*

they shall think they own the world to rule not just the world but the entire universal galaxy.

The beast is a looser and the game is over but many shall be on the losing side for their heart is stony in mind to sin. Who amongst you has ever been to heaven and back to earth? None amongst you can say I have seen heaven unless heaven is revealed to you for heaven is within your heart and wherever your heart is, is where your soul resides.

Many are already in hell and in hell oppressed and compressed by demonic satanic spirits for they seek for things of the flesh and the flesh is cursed as the gateway of sin to be in eternal death.

I speak not from the dead but as life, the truth and the way to Zion for I and the Father is one. All that seek in their heart in goodness shall find me. Even if they have never been to a place called church for I see the heart whilst man see the outside. I made you to be a church and as a church, a church built upon my solid rock for I am the Rock of Ages. Man in sin is a dilapidated building that I must pull down and regenerate to be a living temple. Only if a man is in true heart of love shall he be in regeneration. Only in regeneration of life shall a man be in revelation. Without regeneration, a man's souls shall perish in the abyss genesis of sin.

*The truth*  
*In Jesus Own words –Part 1*

Only if a man repents from sins shall he walk in my perfect holy character and only in my perfect holy character shall a man dwell in my presence everlastingly. Unless a man walks by my divine holy character of love, they shall not be in eternal reward of life. For as God I am a God of holiness character and no man has any kind of good character in evil heart of sin.

You do not impress me at all you that walks around spreading fables instead you show how foolish you are for falling for the deceit of Satan. You can deceive man in your masquerade garments but I see all and know you all by name. A human being is like a masquerade that hides his identity under his masquerade mask. From the visible, you cannot tell who is who. Many that are ugly you hail as the beautiful and the beautiful you see as ugly. The mirror sees the within for when many behold themselves as beautiful in the mirror the mirror whispers in their ears that they are in fact very ugly. Hence, you spend much time trying to fix your image but I say the problem is not on the outside but on the inside.

This is the hour of truth and truth is only truth if it is the whole truth and nothing but the truth.

Truth is not truth when dressed down. Oh, you that say be diplomatic about speaking the truth is it not the case that you freely lie in your world. Do you not go to high length to shove lies in the throats of

*The truth*  
*In Jesus Own words –Part 1*

many without any respect for the diplomatic rights of the truthful hearted. Which of you is over two hundred years old? How then are you experts on events of over two thousand years ago? Those that walk the face of the earth then believed me not for their heart was set on evil. Is it not the case that most of your minds are set on the same evil in this day and in your evil, do you not deny yourselves the rewards of life.

What knowledge do you have about the things that you see let alone of things that you do not see? How can you see when there is a veil upon your eyes and you walk in blindness without any hope of life?

I am the way and the truth and no one come to the Father except through me. As the way I am the door and whosoever tries to enter by any other means I shall be deny access of any kind.

The Father and I are one. For the word lives in the body and the soul and mind lives in the Spirit of the body and all is one. This is the truth then, the truth now and forever shall be the truth.

## **CHAPTER 2**

### **I AM A SPIRIT AND ONLY THE LIVING SPIRITS ARE MY SONS**

You have accused me of having children with Mary Magdalene and I say how will such accusation save you from the fire of hell that is raging high in mystery Babylon. If you say I am only human thereby engaged in human relationships is that not evidence of your own foolishness. For how many human that has been to the world and left gives you light to see your way out of your darkness realm.

How many human is able to lay their life down for the truth? Is it not the case that many of you are enthusiastic to kill yourselves for nothing because you are the dead already?

How many humans on earth know anything about heaven by their might and power? Can anyone bear witness of heaven except the one from heaven? How many human is able to see beyond his nose and how many human is clean to the extent that they are in any way a holy sacrifice to I the Father.

You are all of carnal mind and nature so the devil easily deceives you. To be carnally minded is death and only if I raise you up from the dead are you of life. You seek to prove that I am only human and by so doing you prove that you are dead and as the dead a demon. The living

*The truth*  
*In Jesus Own words –Part 1*

knows me and I know the living. The living knows that I am holy and divine hence they profess me as the truth, the way and the life.

By their testimonies and ways, you shall tell the difference between the living and the dead. The testimony of the living is of life and I the I AM is that life they testify of. The living knows Satan is a liar and loser but for the dead cannot see the devil blind them with more lies. The only weapon Satan has is lies and anyone that finds the truth has thereby defeated Satan. The truth is total freedom of life and I am the only truth of life that is able to set your soul free from bondage of death.

If I am only human, then where does the hope of man lie? All of man is of sin and if you are all of sin then you are guilty of eternal condemnation in death without remission of sins.

If I am only human, then what does that make you oh ye full of demons parading yourselves in guile of sin and wickedness, a god? Mankind has provoked me for long and my wrath judgment come down upon the world heavily for your evil and wickedness is so much in your heart and desire to remain in evil of sin.

You have written many things and have said many things but I ask do you know what it is your record in the spirit. Every soul has a spiritual record and your record is either in the book of life or in the book of

*The truth*  
*In Jesus Own words –Part 1*

death. No one that is in the book of life shall testify against me for those in me are alive in me to be in eternal life of peace, rest and joy. If you seek in the right mind you will be in revelation of the real gospel not the sad news of Satan that places you not in hope of life. Hear oh mystery Babylon you have fallen flat never to rise up for you are the poisonous tail of the beast and you are filled with the dirt and filthiness of the whoring beast.

The book of revelation is the book for this time and now I shall give you all the meaning of revelations for you have for many years tried and failed to decode the coded word of revelations.

---

**I KNOW MY FRUITS AND MY FRUITS KNOW ME**

---

You are all searching for codes I say you all have the wrong codes. The Da Vinci code is the code of death from the dark places to place you in the dark. I speak for myself for I have mouth to speak and my word is power and life to the soul of the believer.

The idea of Jesus having a child or being married to Mary Magdalene is a devilish idea that is spread from the darkness medium to take the only hope that man has of freedom from him. The essence of this idea is to make believe that I Jesus I am only a mere mortar therefore not the invisible immortal God.

*The truth*  
*In Jesus Own words –Part 1*

If I am only mortal then who is man and what is man is my question? What mortal things did I speak of when I came to place you in power of my graceful love? I gave you knowledge of heaven for who amongst you think of heaven in your darkness evil mortal beings.

Who amongst you knows from hence the sun rises and set? Who amongst you in the world is in heavenly realm of mind walking in heavenly ways? The ways of heaven is divine righteousness. What man is in mind of righteousness in wicked mortal hearts?

Mortals are dead beings for all mortals owe death a debt and it is either they pay with their flesh and save their soul or pay with their soul and perish in death forever. A mortal being is the walking dead hence in the world he has no knowledge of who he is, where he is or where he is from or going.

Mortals are demonic puppets that invisible darkness forces easily controls for they are blind and as such cannot see the enemy that is within them.

A mortal being is an unclean beast for sin placed man in mortality and in mortality, man became demonic and as a demonic being, dirty and smelly. A mortal desire is of the world and the desire of the mortal in the world is to rule the world independent of I AM. This is the most foolish aspect of man. For how can you be a ruler in a realm that you have no control in.

*The truth*  
*In Jesus Own words –Part 1*

To rule and reign supreme you must have total control on every events of your surroundings. You have no control over the sun or the moon. You have no control over the storms and the earthquakes all you can do when it comes is try to run and take cover. You have no control over the tornadoes or the volcano eruptions. You have no control over where you are born or where you die or how you will die. You have no control over time for you have no idea what shall be in the next second.

You have no power or control over the dreams that you have or on where you travel to in your dreams. You have no control over your emotions for one minute you are said the next you say you are happy. Your mind is subject to controlling forces and your emotions are unstable. You are frustrated for your mind is toyed and played with to be in frustration.

You have no idea whether your plan will work. Whether you like it or not just as you landed on earth without any idea how so you will have to take your exit leaving behind all the things that you have labored for.

How then can you have control in a realm where nothing is really within your control? Time dictates when you sleep and when you wake up and you cannot travel back in time or go beyond time by any means. Time freezes you in its second and unless it reveals what is next

*The truth*  
*In Jesus Own words –Part 1*

you have no idea. Life is all about dominion and to have dominion you must have total control in your place of domicile. You lost dominion to the devil for you are greedy and selfish in your minds. Now the devil deceives you to think you have ruling independence in evil. How I ask is it possible for a prisoner to give freedom to his fellow prisoners.

You submit to the prisoner and instead of gaining back control, you are being controlled. Even though you are so much controlled and driven like a car by the devil you think you are in the driving seat in total control. This is foolishness and the way of a mortal is always foolishness. The way of a mortal is destructive of his own self for when the mortal sees himself in the mirror he does not see his own ugly face and without sight of vision of his own ugliness, he walks around in vainglory even though he is dead ugly.

The ways of a mortal is wickedness and evil for evil sake for the mortal sees himself as invisible. However, the real enemy of man is the one that is invisible to man. The real enemy is not the man that you see but the evil spirit locked within the man that you cannot see.

The ways of a mortal is cowardly with no courage at all. Courage is honor and the greatest honor of all is to be your own word. A mortal always promise what he is not able to do or what he cannot deliver for if you are not in control then the one in control is able to foil your plans. A mortal is blind, deaf and very selfishly greedy. They see and

*The truth*  
*In Jesus Own words –Part 1*

they want it all for themselves even though you do not know how it got there.

To say that I am a mere mortal is to say that all I am able to do is hate. How can I be only in mind of hatefulness and be God. I am not just any god but the Almighty God creator of the universe. As God the creator uncreated, I am love and as love the Most High God forever. For I am love I hate sin with great passion just as man in sin hate my righteousness in deep passion. However, I love the sinner so much and as written in St. John 3:16 I gave my only begotten Son as the Father so that whosoever believe in him shall not perish but have everlasting life.

To say that I am only a mortal is to remain in condemnation of death for a mere mortal cannot save another mortal from death in his own death. Mortals are hateful beings in evil covenant with the devil. Mortals are ugly creatures masked and heavily made up hence when you unwrap and strip one another in your relationships you see how ugly you really are in your inside evil character that is hidden underneath the mask.

A mortal being idea of love is as a candle in the wind one minute it is burning the next it is out. The character of man in their mortal ways is like a heavy storm wind that is blowing each other apart and tearing each other into pieces.

*The truth*  
*In Jesus Own words –Part 1*

A mortal being is a masquerade covered up in darkness shadow and those that see this masquerade from afar think it is all beautiful until they get closer and see that it is nothing but ugliness.

A mortal being is lustful, sexually promiscuous for mortals are like dogs with no means in their darkness mind of promiscuity to control their evil and devilish darkness sexual urge.

Satan is a beast and as a beast in man, he leads man to be in whoredom ways. This so that they remain a mortal flesh and blood only and as such trapped in eternal death to suffer the consequences of sins forever. A mortal is highly unfaithful to anyone let alone to himself. In wicked urges, a mortal buried in the lust of the flesh is always in mind to change partner like garments. The real partner is the invisible insatiable evil promiscuous sex crazed demon that licks in the human to feed his evil lust through the promiscuous human acts.

A mortal is hypocritical in his ways hiding in the dark to do evil but coming to the open to say that he is all-good.

A mortal walks in the dark thinking that he sees the light. A mortal sees evil as attractive not knowing that the evil that he does is to his own evil end.

A mortal is mean and very evil minded. Mortals are in essence demonic beings and for they are demonic in opposite will of life. To say that I

*The truth*  
*In Jesus Own words –Part 1*

Jesus is a mere mortal is equivalent to saying that man that are demonic are gods in their own power and might.

A mortal desire is of the world to gain the world hence many shall loose their soul for nothing for naked you all came to the world and naked you shall leave. As the everlasting God, I AM divine and my kingdom is not of the world but of the supreme light order of the universe. I am a Spirit and to be my Son you must be a living spirit. As Romans 8:14 says “***For as many as are led by the Spirit of God they are the sons of God***’.

To find the truth you need to throw such books, as the Da Vinci code far away for it shall only deny you of the real code. The truth is in the bible and if pick up the bible with a humble and contrite heart I shall reveal to you the whole truth. When you find the truth, know that you the world shall truly try and test you for the world shall hate you even more for finding the truth. However, rejoice for it is all working together to your advantage. The secret of the world is that the world is antichrist world but if in me you are in me to be more than a conqueror always. As written in St John chapter 16 verse 33 “***These things have I spoken to you, that in me ye might have peace. In the world ye have tribulations: but be of good cheer; for I have overcome the world***’.

*The truth*  
*In Jesus Own words –Part 1*

That I speak to you now is evidence and proof that I have overcome the world for you. The world is at my footstool and all of you that run around seeking for codes I see you all in your wicked mind search.

Everything that is of the world is of the flesh and everything that is of the flesh is of death for all that is of the flesh is sin.

Everything that is of my Holy Spirit is life and to have eternal life you must be in me and I in you.

To be my Son a man must be born again just as it is written in the book of St John chapter 3 verse 3 that except a man is born again he cannot inherit my kingdom.

My kingdom is not of the world as written in St. John chapter 18 verses 36 but of a higher dominion that is above all powers, principalities and rulers of darkness in high places of the world. Heaven is my abode, the earth is my footstool, and to be on earth of the world is to be in darkness prison ruled by the alien nation of the evil and deadly demonic forces from the dark continent of the spiritual realm. The world is a world that is full of principalities jargons and those that walks in principalities abides in the darkness shadow.

My kingdom is not for mortals but for those that I have made to be immortals in me and to be immortal in me is for your souls never to taste death again. When your souls is dead then all that is in you is darkness but in me you are of light and in light only can you see things as it is for real.

*The truth*  
*In Jesus Own words –Part 1*

Death is a curse and the curse of death is upon man because of his evil and wicked desire to reign supreme independent of I the I AM.

Mortals just like their devilish betrayer evil master. A mortal is always in mind of disloyal to goodness and loyal to evil. A mortal is selfishly greedy and does not care about anyone including himself in his pursuant of his vanity desires. The faith of a mortal is of vanity and for they lack real faith, they change like a chameleon in their faith ideas and beliefs from one minute to the other.

I Christ Jesus came to show mankind who they are that they are demonized by sin and as such in bondage of sin. My mission to earth was for placing man in holiness vision so that they know that evil does not pay.

A man's evil is to his own disadvantage for if your mind is evil it is because you are a slave to evil and if you are slave to evil, you cannot be in reward of life. Out of good and evil I created all things.

Everything I made is in word and opposite and the reward of life is for the good at heart. Just because evil is a choice does not mean it is legitimate to choose evil. For every choice you make will either bring you a good reward or place you deeper in evil consequence hence you must all choose wisely. Only the wise shall inherit the heaven and earth for the wise shall choose goodness and reject evil. I will only recognize you as my son and family when you choose good knowing also evil.

*The truth*  
*In Jesus Own words –Part 1*

Life is all about balanced capacity and you are only good on deeds when you choose good even though you have same level capacity to be evil.

To be a god is to be good on deeds. To be good on deeds you must be of life. To be of life you must be born again by spirit and by blood. Only by my blood can you be free from sinful spiritual dirt and only when you are dirt free shall my spirit dwell in you and yours in me. To be evil on deeds is to be a slave to sin just as the first Adam. Those that are in me good on deeds know that it is the way of life to be good for evil does not pay any goodness rewards.

As God, I am a God of covenant relationship and my covenant is covenant of life sealed with my own blood for goodness sake of life. I am the Almighty power that is above all power with all power of good and evil. I Am the Great I AM and I make all things both good and evil to work together for goodness sake.

Goodness is the order of life and the reason why you are evil minded is because due to the sin of Adam you inherited sin and became children of the devil led by the devil to be in mind of evil works.

Equating me with man and by so doing accusing me of having a mortal relationship is evidence of your ignorance. I am a Spirit and those that

*The truth*  
*In Jesus Own words –Part 1*

are in relationship with me are in relationship with me in their spirit as living spirit beings.

As the Great I AM I am the Father of all spirits but only those that are good on deeds are my recognized Sons for as a God I only count the good on deeds as my Sons.

Your search to discredit I Jesus the judge and witness of life is evidence that your convictions are in death and for they are in death, you are in wrongful judgment and your wrongful judgment mind places you deeper in darkness evil.

The time you spend running on a thread mill like a hamster seeking to prove the truth as lies you could spend seeking the truth from within your hearts. Only the truth can set you free and it is only when you are free that you start to ride on life's wheel of fortune.

You waste your time for the question is not who I am for I know who I am but you that parade the world with proof and evidence I ask who are you. What is the essence of your journey to earth and where do you end your journey when you leave the world.

If your journey is all about giving hope of life then you are in goodness reward but if you engage in acts of hope dashing then you perish in your own message of hopelessness. Life is full of secrets and you cannot research or study me for I am not a book that you can study. I

*The truth*  
*In Jesus Own words –Part 1*

Speak and I see all and if you submit to my will you will be in goodness revelation not devilish lies that avails you not from the claws of death.

You are in the wrong mind of codes for believing in the Da Vinci code lies. For the Da Vinci code just like your other many codes shall lock you out of the door forever. The only code is repentance from your sin for no unclean beast shall be allowed to enter the ark, which is I Christ Jesus. I am divine holiness and righteousness of life and except you repent, you cannot enter my kingdom of peace.

In the days of Noah unclean beasts were allowed to enter the ark for you are all unclean and must be made clean by my blood. However, in the last day of judgment only the clean shall be allowed to enter the real ark to rest and abide with me in goodness of eternal life forever.

**THE WORLD ORDER IS IN UNHOLY MARRIAGE WITH  
THE BEAST**

---

Revelations 17 speaks of the whore of Babylon and who is the whore of Babylon it is no other but the last world order of sin. The world order is not just a governmental order but also the entire principalities world corporation. Greater always I am in all realm and dominion as the authority Word. Those that are in the world in the marriage order of the beast are already serving their eternal punishment. For the beast is a traitor condemned by me to perish in his own eternal death. All

*The truth*  
*In Jesus Own words –Part 1*

those in the beast are traitors against life hence you testify against life and in doing so your souls remains in death.

The beast before the foundations of the earth was a spiritual criminal that is already guilty of all the charges against him. Those that are in the beast are his sinful collaborators and are just like him guilty of all counts and charges. The devil does not wish that you know the truth about him. In sinful collaboration with the devil, man is a partaker of the wages of sin which death. The devil as the first and last prisoner is an abominable unclean spirit and any unholy spirit is an abominable spirit that is food for the devil.

The world order is in unholy marriage with the beast to spread sin as right and to condemn righteousness as wrong. The marketing aim of the world order is to commercialize sin to make it attractive so that man is only interested in purchasing sinful lies to the detriment of their souls.

How is it that the Da Vinci book sold in the manner that it sold is it not because the world medium advertised the book to place many in hopelessness?

How many times have you advertised the bible as a book of life and how many times have you advertised books that speak negative word against the bible. Most of the world population obtain their

*The truth*  
*In Jesus Own words –Part 1*

information from the world medium and if the world message is all about death and evil how can any man have hope of eternal life from listening to the world media. How many books of witchcraft and sins have you all sold through media hype and how many times do you report anything good at all.

The news of the world is destructively sad and for it is all bad news how can there be peace and less violence in the presence of sad and everyday hopeless news. How many today are discouraged from seeking the truth by the many lies they feed into daily from the world media.

How many counter argument books for example to the Da Vinci code is highly publicized by the world media as the Da Vinci code book was. How is the book and others in the same line of fabrications of such great interest to you all? Is it not because all you are interested to buy and sell is sad news. Anything of Christ you hate and all you seek after is to prove that Christ is merely a man. Your entire discovery search is it not all geared up to prove that no death on the cross let alone resurrection or indeed ascension.

I ask if it true that I had children by Mary Magdalene what in what line do you place them flesh or carnal. The carnal only bear carnal dead fruits but the fruit of the living is a word that endures forever. Now shall you gather your false witnesses just like in the olden days for the

*The truth*  
*In Jesus Own words –Part 1*

sake of your wicked and evil purpose? For you are all carnally dead and greedy will you not easily find an agent of lies to say they are the long lost hidden child of Christ? For is it not true that all that you seek is prove and evidence that the Son is not the same as the Father. Is it not the case that many shall provide you fake ideas and evidence to distract you from finding the truth?

The world has not changed for as you searched frantically then for false witnesses against me so it is today that you search even more for false witnesses. Many of you are full of lust seeking only to legalize your sins as right instead of you to repent. I know my fruits and my fruit knows me. For it is written, by their fruits you shall know which tree they are rooted in.

Those that are rooted in evil testify of evil but those that are rooted in goodness are living spirits and shall bear record and account of goodness.

You fool, when will you learn oh people of the world that you are all on a mission to find your lost souls and if you see your mission as attacking the only hope of resurrecting your soul back to life is that not eternal death to your souls.

I came, I saw and conquered and I am the same yesterday, today and forever. I am the author and finisher of faith, the Alpha and the Omega. I have completely perfectly performed all my missionary aims

*The truth*  
*In Jesus Own words –Part 1*

in time and in eternity so I say it now as I said it before it is finished.  
Now I ask what is your own mission to earth is it of life or of death?  
This is the question from me to you all.

If your mission is of death then you are already dead but if it is of life  
then you shall never taste the sting of death. For I Christ have already  
conquered death in the world and if a man repents though he shall die,  
yet he shall live in me forever.

---

**THE DEVIL IS FLESH EATER**

---

The devil as an evil spirit feeds on the flesh for the devil as death only  
eats the abominable and in eating the abominable forever smelling and  
filthy. This is why he leads you all to kill yourselves giving you false  
promises and hopes for he knows you are blind and cannot see. If you  
kill yourselves and others for the sake of having virgins in heaven as  
your reward then do you not say that all you are in mind of is sexual  
promiscuity or what shall be your business with this virgins that  
supposedly shall be your reward for killing yourselves.

Thou shall not kill it is written in my commandment and if you kill in  
mind of revenge or judgment do you not know that the innocent  
blood of those that you kill shall be upon your heads.

If heaven is for the righteous and you kill the righteous in your foolish  
act of heroism what justice is there if I the judge of all allows you to sit

*The truth*  
*In Jesus Own words –Part 1*

in the same royal courtyard with the living righteous that you killed in the world.

Look at your world man. It is all fallen into pieces for you are all in hatred mind waging war against one another fighting a lost battle. The world of man has crumbled now you do not just have the mind to be promiscuous on earth you seek to come to heaven to pursue your sexual desires and aspirations. Is it because there are no more virgins on earth for you have all disintegrated to nothingness standard that now you seek to find virgins in heavens.

---

**NO OTHER MESSIAH SHALL COME**

---

Oh, ye that expect a messiah to come and teach I Christ to pray what manner of prayer shall this messiah teach me and what is his messiah mission to earth. A messiah is a savior and a savior must have power and authority to save. The living prophets testify and bear record of me as the Alpha and Omega for it is written in Revelations 19:10 **the testimony of Jesus is the spirit of prophecy. If any man testifies against me, his testimony is a lie and not the truth.**

Many liars and false prophets have invaded your world for you are blind, you believed in their lies and as such, your heart is much hardened than ever before against the truth. To call a person a prophet they must give prophetic word that avails or prepare the mind to be in

*The truth*  
*In Jesus Own words –Part 1*

awakening of life. Unless you seek in spiritual mind for the truth, many of you shall remain deceived by the false prophets.

Wake up oh people of the world for it shall be too late for once the trumpet sounds it is the end of grace and the beginning of final judgment.

Seek the truth from a good heart not in the mind of hatred for a heart that is of hate is vulnerable and susceptible to manipulations by the devil to remain in deep hatred so that see you will never see and know you will never know.

Be wise, consider all things fully, and instead of working to cover the truth seek to embrace the truth to be set free from the chains and bondage of lies.

---

**I AM A GOD OF LOVING RELATIONSHIPS**

---

I am not a God of religion for religion is world oriented. I am a Spirit and a Holy Spirit. Only living spirits shall rest and abide with me forever in my kingdom of eternal life. The world is a world of darkness. The world is in damnation of death and anything that is world oriented is of sin for the righteous shall not look in the world but beyond the world unto my Holy Mountain where I have kept all the goodness proceeds of life.

*The truth*  
*In Jesus Own words –Part 1*

If a man dies just to have sex with virgins in heavens is that not proof that he is already dead for if indeed there are virgins in heaven what sort of heavenly virgin would desire to have sex with a cowards.

It is cowardly to kill yourselves all in the name of religion for the true heroes of life are those that are killed by the wicked for their true faith and even as they are been murdered by such wicked they prayed for forgiveness for their killers for they know judgment upon such wicked beings shall be very fierce.

True heroism is to pray for your enemy and bless those that curse you. This is divine wisdom for I will always take vengeance for the righteous and all that the wicked shall have is my wrath. Only when you bless those that curse you and pray for those that hate you are you truly a champion of life and as a champion of life free from all blame.

Divine wisdom is to allow me to take vengeance for you for vengeance is mine. If a man is in mind of hatefulness he is already in death for life is love and divine love is to show mercy even to the underserved. I that have no sin show my mercy to all man that are sinners and have sinned against me. How then is it just or appropriate that you that is full of sin and as such guilty in death show no mercy to your fellow beings. If you show no mercy then I will show you no mercy for to be merciful is goodness and only the good at heart shall inherit my heavenly kingdom. As for the wicked, they shall perish in the eternal lake of fire.

*The truth*  
*In Jesus Own words –Part 1*

If you only love those that love you how then can you call yourself loving for to be in divine heart and love is to love not just those that you see as loving you but also those that hates you with extreme passion. You can only love those that hate you when you are in the light for only in the light can you truly love those that hate you for you know they know not what they are doing.

Many spirits in the world are dead spirits and as dead spirits only in mind to hate. All that man is capable of in death is to hate and in the world of the soulful dead, man is in extreme mind of evil hatred seeking always to kill each other to feed their evil dead flesh-eating masters.

You hypocrites that shout blasphemy are you not the real blasphemers. The world as I said is still the same today as it was then and it will never change for the world is the world of sin. I Christ did not come to change the world of flesh for the world of flesh is the world of the dead. Instead, I came to give you the keys to enter the real world of light through the door.

You charged me then with blasphemy for speaking the truth and condemned me to death and today just as you did then today you use the word blasphemy to spread fear in the mind of man so that they are discouraged from speaking the truth.

*The truth*  
*In Jesus Own words –Part 1*

I did not create you to be robots but to be of a free will of choice so how is it just and right to condemn a man to death for exercising his free will in life. I as God have power over your mind, body, spirit and soul yet I allow you the free will to choose. To kill in mind of hatred is proof that your will is subjected to death. To instill fear through killing for nothing but evil sake is proof that your soul is in bondage of death.

### **CHAPTER 3**

#### **THE LAW IS GIVEN FOR RIGHTEOUSNESS SAKE**

The entire law as I have declared it to be before the foundation of the world is that what you sow you reap plentiful. My universal supreme order of life I have established in goodness and only the good at heart shall reap good rewards. The reward for the evil and wicked hearted shall be greater portion of their wicked evil.

The law that I gave to Moses as I said is many and several and it is to place you all in mind of the fact that the standard of righteousness is divine and as such man in sin is not on his own able to meet this high standard.

You can only have salvation from death by grace for what man is not a transgressor except for I Christ that lived as man amongst you whom you accused of blasphemy for speaking the truth and crucified as righteousness of life.

My trial by man is man's own trial of himself. Crucifixion was a necessary love act to save your souls but by crucifying and rejecting me, you deny yourself the benefit of salvation. You will only win in your trials in the world when you are in righteousness. However, in sinful death you are the accused that is in death already guilty of sin

*The truth*  
*In Jesus Own words –Part 1*

and in guilt of sin in danger of eternal condemnation of death. Romans chapter 6 verses 23 say “***For the wages of sin [is] death; but the gift of God [is] eternal life through Jesus Christ our Lord***”.

The wages of sin remains death and the only way to eternal life is through I Christ Jesus. Romans chapter 8 verse I verses 1 reads “***There is] therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit***”.

This is the true gospel and this is what the enemy in you does not want you to know or to hear for yours ears are itchy, your heart is stony and your mind is evil.

---

**THE BIBLE CONTAINS THE WHOLE TRUTH**

---

The bible is the only book in the world that has my seal of approval for it contains my entire principles of truth. The bible is not about taking a verse and running along with it for evil justifications. For this is the way of the evil man always in satanic mind seeking always to use the scriptures to justify his evil and wicked ways. The satanic minded seek for a line or a verse to support their evil aims. What you look for you will find and if your mind is evil then all that shall follow you around is evil.

*The truth*  
*In Jesus Own words –Part 1*

Many of you have argued that the bible has been many times translated hence how can anyone be certain of the authenticity of the contents. I say no matter how many translated versions of bibles that are out there the principle of the holy bible is intact. The meaning of the biblical text is within its whole context hence the bible for it is in whole context the truth is my only recommended holy book. The bible is not just a book of characters rather it is a book of principles and that is exactly what the law is, binding principles. If you do not know the binding principles of life then you will be bind in death by the many principalities of death. Unless you find the right principles to loose you from the deadly principles, you risk the danger of eternal death to your souls.

The evil spirits of the world hates for man to discover the true biblical principles for they know that the principles contained in the bible is the whole truth and as the whole truth the only life principle that can fully set a man free from eternal death.

What the fallen angels seeks for man is for them to be in mind of confusing deadly principalities. Today there are many deadly principalities doctrine ideas in the world. The aim of which is to prevent man from seeing the shining light that is from my real life principles.

To get the meaning of word that it is in the bible it is necessary to see it in its entire context. Only when you see it from its entire context

*The truth*  
*In Jesus Own words –Part 1*

shall you arrive at my final and right answer. If any man is in mind of worldly acclaimed doctrines of the bible then he says that he is a fool and as a fool shall deny himself the benefit of the truth that is within the bible.

I gave you the holy bible to open your eyes to see the game of the beast that is all for cover up sakes. The bible as I said is a precedent divine law book and a main precedence set and established in the bible is that the just can never lose unto death for the good shall always reap good rewards.

This is evidenced by my very own resurrection from death for even through man tried me in their mind of evil with the intention of condemning me to death I rose from death. For the just never shall stay under the ground for heaven is the home for the just. If you read the bible in entire context of divine study mind you will find that where there is a conflict between good and evil, good shall always prevail for goodness is the prevailing supreme order of life.

The biblical human characters in line with this precedence I enabled to walk in my righteousness to afford you understanding of life principles in your today's world. In their submissive will to my righteousness that are in me true life champions for even though the world killed them in corruptible mind I raised them up to inherit my everlasting kingdom in my incorruptible judgment. By their little mind of goodness faith, I

*The truth*  
*In Jesus Own words –Part 1*

placed them in greater revelations in their time so that by their entire account of revelations you see today that I was, am and ever shall be the truth.

However, for today you are blinded by many principalities doctrines you read the experiences of the biblical characters as if I am only able to speak then to those biblical characters and that is the end.

I am Word and just as I spoke then I speak now but how can you hear me when your eyes is covered with darkness of evil. For you do not hear and is blinded by evil you speak of me as if I am only a God that speaks in the days of the likes of Moses and Elijah.

You spend your times deliberating on meaning of doctrines and instead of finding the truth you go deeper into evil misunderstanding for you do not look in the right places. I made my Holy Spirit available to give you a conviction today greater than that of Moses and Elijah but for you spend much time arguing about doctrines you fail to discover the real principles.

The entire biblical precedence and principles is all for the purpose of affording you my very own Holy Spiritual convictions. This is so that you have soul clarity and not perish in soul confusions of the many big lies that are flying around in the final hours of time.

*The truth*  
*In Jesus Own words –Part 1*

The truth as you have it today in the world is far obvious that in the days of Moses and Elijah however many of you have failed to find the truth that is much obvious in your own time for you spend so much time debating Moses and Elijah. I afforded this men my righteousness for a time like this now that I that all the prophets and the law is all about has fulfilled all law and prophecy you are busy still looking unto the messengers instead of on the maser.

The transfiguration as foretold in the gospel of Mark chapter 9 is to place man in sight of the fact that all things is about love and my supernatural love is what all man came to the natural to find. Mark chapter 9 from verses 1 reads, ***“And he said unto them, Verily I say unto you, That there be some of them that stand here, which shall not taste of death, till they have seen the kingdom of God come with power”***. Verse 2 ***“And after six days Jesus taketh [with him] Peter, and James, and John, and leadeth them up into a high mountain apart by themselves: and he was transfigured before them”***. Verse 3 reads ***“And his raiment became shining, exceeding white as snow; so as no fuller on earth can white them.*** 9:4 ***“ And there appeared unto them Elias with Moses: and they were talking with Jesus”***. 9:5 ***“And Peter answered and said to Jesus, Master, it is good for us to be here: and let us make three tabernacles; one for thee, and one for Moses, and one for Elias”***. 9:6 ***“For he wist not what to say; for they were sore afraid”***. 9:7

*The truth*  
*In Jesus Own words –Part 1*

***“And there was a cloud that overshadowed them: and a voice came out of the cloud, saying, This is my beloved Son: hear him”. 9:8 “And suddenly, when they had looked round about, they saw no man any more, save Jesus only with themselves”.***

If you search the bible, you will find my true word and your soul will be free from eternal death. The bible is all about meaning and the question is what is the purpose and meaning of the transfiguration account.

Moses is a prophet that I equate with the law and Elijah representative of all the other prophets. Therefore, the key message here is that all the law and the prophets hung on love, which is I Christ. If you are mindful of prophets only, you will not see me as love revealed. I am divine love that was, is and always shall be the whole truth of life.

There is only one true God and this God is I the Father, the Son and I the Holy Ghost. However there are many that are called prophets and my question is are all that is considered prophets true prophets? The only true prophets are those that testify of me as the true Son of I the Father for this is the whole truth. As it is the whole truth only if a man accepts this truth can he begin his journey of freedom from death into eternal life of peace, joy and rest. As it is written in Revelations 19:10 that the testimony of I Christ is the spirit of true prophecy any

*The truth*  
*In Jesus Own words –Part 1*

prophecy that is against this truth that I am the only way to the Father is nothing but a lie from the pits of hell.

The only prophet that shall stand with me in the final day of judgment are those that testify of me as the true word of life. This is Moses testimony and Elijah's also that I am the way and the life. All Moses and Elijah did for the sake of righteousness of life they did by my own word. For I am my word and my word is my eternal glory that I revealed to man, which is I Jesus Christ for the purpose of the salvation of the souls of man from death to eternal life. Many lying prophets from principalities realms are amongst you to deceive you and if you do not look beyond the many prophetic lies, you shall not hear or see the truth.

**ISAAC IS THE COVENANT CHILD**

---

The Father and I is one and those that does not listen to me hear not the Father and as such shall die forever. Those that listen to me hear the Father and those that hear the Father and obey the will of the Father in me and I in the Father have the reward of eternal life.

The prophecy of love is resurrection from death and this was my prophetic sign unto Abraham in my asking him to sacrifice his only begotten son unto me.

Isaac was his only begotten son because Sarah conceived him not by natural means but by supernatural means for the body of Sarah was

*The truth*  
*In Jesus Own words –Part 1*

Isaac was not a child of flesh but of grace all of my entire covenant promises unto Abraham I attached to him. Hence even though Abraham had other children those that seek to find the truth must search for the truth through the Isaac line of covenant for it is with this line that I have established my spiritual covenant for the purpose of affording my Holy Spirit to man for goodness sake of their soul.

Affording my Holy Spirit to man in benefit of resurrection is fulfillment of my entire covenant promises unto Abraham to make him a Father of nations.

Abraham was in right mind of faith for he knew that even if he were to sacrifice his only begotten son I will raise him up.

The eight-day circumcision covenant is symbolic of crucifixion. I did not make my covenant with Abraham to make him father only to the Jews but for all nations to be blessed through my covenant agreement with him. My covenant agreement with Abraham I fulfilled through the shedding of the blood of I the real Lamb.

Through the shedding of blood of remission Abraham is not just a father of the known Israel but a father of both Jews and Gentiles. I Yahweh is not only God of the Jews but the universal God and as the universal God I gave my only begotten Son so that as written in John 3:16 whosoever believes in him shall not perish but have the benefit of my entire covenant promise which is eternal life.

*The truth*  
*In Jesus Own words –Part 1*

I fulfilled my covenant towards Abraham by placing the repentant man in benefit comfort of my Holy Spirit. Only in benefit of my Holy Spirit shall a man have true soulful convictions of my love for him. Only in soulful convictions of my love shall a man walk in heart and mind of divine faith to inherit my kingdom benefit of eternal life of peace, rest and joy.

I have made my Holy Spirit available by grace of my covenant love in the line of Isaac a son that I gave to Abraham to make my covenant line clear to the world. To receive benefit of my Holy Spirit and partake in the inheritance benefit from my graceful covenant line, man must seek for the spiritual meaning of circumcision from the inside not from the outside.

If all that a man seeks to circumcise is what is of the outside then all that he shall produce shall be of death and nothing of life. Crucifixion removed the dead foreskin of life to place man in virgin soil of productive growth for without crucifixion and by crucifixion, resurrection from death man in dead skin of death shall never find their way to my eternal life presence.

**ENTER YE THROUGH THE NARROW AND THE  
STRAIGHT GATE**

---

I Yahweh I AM life itself and as life eternal life forever. As love, I am head of the pyramid of life. The pyramid is another thing that has fascinated man for ages. Here is my simple pyramid lesson for you for you to get understanding. The head of a pyramid is narrow and the body is wide. There is only one way to be part of the head and it is through the body. Although the body can widen, the pyramid head remains narrowly the same no matter how wide the body gets.

All in the body joined to the head are part of one body. The head is not separate from the body instead leads the rest of the body to see direction. If anybody is not in the body then they will not be joined to the main head and they shall not be able to see hear for the eyes and nose is all in the head. Unless a body is within the main body and in the body attached to the main head, he shall not form any part of the body. As a result shall not be able to walk in the right direction that the head is leading the entire body to walk.

Life is all about meaning and here is the meaning of the pyramid for your understanding. The corporate body of love is I Christ. The way to the universal order of life is narrow for if you try to enter by the

*The truth*  
*In Jesus Own words –Part 1*

wide road you shall all perish. Matthew 7 from verses 13 reads 7:13  
***“Enter ye in at the strait gate: for wide [is] the gate, and broad [is] the way, that leadeth to destruction, and many there be which go in thereat”***: 7:14 ***“Because strait [is] the gate, and narrow [is] the way, which leadeth unto life, and few there be that find it”***. 7:15 ***“Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves”***. 7:16 ***“Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles”***? 7:17 ***“Even so every good tree bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit”***. 7:18 ***“A good tree cannot bring forth evil fruit, neither [can] a corrupt tree bring forth good fruit”***. 7:19 ***“Every tree that bringeth not forth good fruit is hewn down, and cast into the fire”***.

Enter ye as said in this scripture by the straight gate for all other gates are crooked and as such shall not lead you into the kingdom of life. My question to you oh ye people of the world is have you listened to my voice of reasoning. Have you not fallen for the deceitful lies of the false prophets and by so doing many of you are locked out outside the gates groping still for the way in the darkness?

Have you not become of corrupt mind only in the dark? Is there many amongst you today that preaches the true gospel or have you not gone with many liars that have come claiming they are the way and the truth.

*The truth*  
*In Jesus Own words –Part 1*

I am the way, the truth and the life says John Chapter 14 verses 6 and as the way the only way to eternal life of peace and joy. How can you see me when all you see is the prophets?

You saw in the transfiguration that all that is given unto man to see and to hear is I the Word for as the Word I am that lawgiver that gave the law to Moses and the chariot of fire to Elijah as fire and as fire consuming fire.

I came to place you in mind of total truth for I know all things and in seeing ahead of time from the beginning to the end I did all that I did to save man from his own evil ways by grace of my love.

Many of you have become devil's advocate and an advocate of the devil is a loser for the devil is guilty of sin and in guilt of sin of death.

In Matthew 22 from verses 35 to 40 the way of the devilish lawyer minded is made clear for a lawyer as you all believe is an expert of the law but I say a lawyer of the world is a liar for what lawyer in the world knows the whole truth about the one that he represents.

## **THE LAW IS FULFILLED BY LOVE**

---

I chose the few to bless the many. However is not the case that the devil in the many of you pushing you to tempt and provoke my selective chosen few. Do you not deny yourselves of your true blessings by your wicked mind against the righteous? Touch not my anointed I said for I will not have give mercy to the wicked.

The game of death is to confuse you so that you do not find the truth and if you fall for the devil's trick is it not because your vain mind and heart of sin to continue to sin. Satan as the condemned is a tempting spirit and the work of Satan is to provoke evil reaction from the ignorant fool to discredit the credibility of the true witness and to instill fear in others.

You are my witness if you are in me and I am in you as your Lord and savior but if the devil is in you all of your witnessing career in time shall be antichrist.

Those that are in the devil testify against life true witnesses in time. This is all in the aim of silencing the truth through the evil use of the law to create fear. I am the first and the last and if a man is in me then he has conquered death in all realms for I as the Alpha an Omega is all power and authority over all matters of life and death.

*The truth*  
*In Jesus Own words –Part 1*

As the lawgiver, I am the first and last judge and as the final judge the final advocate of life.

As the final advocate of life I am the divine life prosecutor of the persecutors and unless you repent oh ye devil advocates you shall die in sin to suffer in eternal sorrow of pain.

I am the only expert on the law as the lawgiver and the law is all about love and this I made clear to your illegal devil's advocate mind in Matthew gospel that the law and all the prophets hung on love.

Matthew 22 from verses 35 reads “***Then one of them, [which was] a lawyer, asked [him a question], tempting him, and saying***”, 22:36  
***“Master, which [is] the great commandment in the law”?*** 22:37  
***“Jesus said unto him, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind”.*** 22:38  
***“This is the first and great commandment”.*** 22:39 ***“And the second [is] like unto it, Thou shalt love thy neighbor as thyself”.*** 22:40 ***“On these two commandments hang all the law and the prophets”.***

The law as I said in this scripture is all about love. You cannot be in mind of love except you submit to my word and I Christ I am word. To enter the gates of heaven you must fulfill all laws for only in fulfillment of all laws shall you carry my perfect mark and seal of love.

*The truth*  
*In Jesus Own words –Part 1*

If you try to enter without complete fulfillment of all laws, you shall be turned back to go back to hell by the Cherubim guards and there is no mitigating circumstances that will make them let you in.

If you do not hold a heavenly passport, you cannot cross the border to enter in and be naturalized. You are in the natural to be supernaturalized for once you are fully in the supernatural you are in permanent reward of all you did in the natural hence it is too late to cry wolf when the head is off.

In this my final gospel word to you before the trumpet sound I say again to you all in this very last hours as I said in the Matthew 6:33 that you must seek the kingdom of I the I AM and my righteousness and all other goodness things shall be added unto you.

If instead of seeking to find the kingdom all you engage in is to be the merciless evil corruptible judge in time then do not be surprised when the real master of all shows you no mercy on the last day for all that you did to the master and his messengers. Remember the saying judge not for by the same measure that you judge you shall be judged. This is word of wisdom embrace it and it shall do your soul all goodness.

Many of you instead of seeking to walk in fulfillment of the law seek only to oppress other humans in your wicked mind use of the law. If you are in mind to oppress others in evil mind of wickedness then

*The truth*  
*In Jesus Own words –Part 1*

know that those that are more wicked than you are busy oppressing your soul in death.

The question is have I given you the law for self-rule or for self-government or is it to make you have the knowledge of your evil and corrupt sense. For which man in the flesh that is of the sinful flesh is in mind of making any righteous use of divine law.

Your use of the law today is just like the Pharisees and Sadducees of the old who for envy and evil heart to oppress accused the truth of blasphemy and gathered the crowd to support their evil act of hypocrisy all in the aim of covering the truth.

I gave you the law to place you in mind knowledge of your desperate mind to sin. The law is for orderliness not disorderliness but judging from your use of the law all that you have is chaotic disorder instead of goodness order. The law is divine and justice in life is from the incorruptible. It is no surprise that the world is in chaotic disorder for the only thing corruption will produce is total chaotic disorder. The corrupt minded cannot be in good mind use of divine law for all the corrupt minded is interested in is to oppress and create fear in the mind of the people all in the pretence that they are serving the purpose of God.

The only profit of the wicked for their corrupt mind use of the law is eternal condemnation.

*The truth*  
*In Jesus Own words –Part 1*

The law only protects the righteous from injustice and brings the wicked to justice which is condemnation in eternal death. My divine justifications are for the truly righteous and for the human hypocrite that pretends to be holy you fool no other but yourselves. The foolish man does not know that he sees he need not worry about. It is the one that can see all that he does in and out of the closet that he need to worry about.

The law is to make my standard of judgment clear that the wages of sin is death but the gift of eternal life is in the flesh and blood of I Christ Jesus. I Christ is the blood of remissions and unless your sins are in remission it shall continue to grow as deadly cancer in your spirit to place you in condemnation of death forever.

You that is eager and quick to condemn I say think before you cast the first stone. For who amongst you has never lied before? Who amongst you has never fornicated or committed adultery.

Some may say they are innocent of sexual promiscuity and dirty mind of sin but I ask who has never looked at another in the eyes of lust and how many of you plucked out your eyes for doing so.

Whose mind is plain and free from any manner of evil thoughts? Who amongst you has never sinned since birth hence divinely perfect and righteous?

*The truth*  
*In Jesus Own words –Part 1*

The law is several, all of man is transgressor of the law, and transgression against one law is transgression against all divine laws and order. For any transgression against the law is sin and for the wages of sin remains death you all need to enter into life covenant to be free from the long line of covenant of sin. No man in the flesh is able to fulfill all divine law by themselves to be free from the dead line of covenant hence many that walk the face of the earth are dead souls. Given that a dead spirit is engaged in covenant of sin, their dead evil and wicked spiritual family will not let them rest for a minute in the natural for there is no rest from evil covenant.

The word familiar originated from the word family. Although a familiar spirit is familiar to the spirit of the dead man he is no longer familiar to the walking dead man in the flesh. The familiar evil spirit objective aim is to oppress, depress, compress and suppress the walking dead man into complete total submission unto evil. Beyond the immediate familiar zone there are also other familiar zone hunting for the soul of man and as such man in the natural is subject to many familiar unfamiliar spiritual attack from the land of the dead. This spirits are merciless and ruthless to the foolish but have total respect for the wise for they know all they do shall only work out to their advantage.

*The truth*  
*In Jesus Own words –Part 1*

The evil familiar spirits soul aim is to take evil advantage of the foolish man. They trouble them in his dreams and they make their experiences hell on earth. They instruct their mind to think only of evil and harden their heart against the truth. They lead them to be in lust and call them constantly to return to their evil dead zone lest they find the truth and break free forever. They gather evidence daily against them and accuse them of evil deeds and they seek always to mislead them in their journey so that they stay within their evil predestination of eternal death.

The familiar zone spirits are the first lawbreakers before the foundation of the earth and in their heart of condemnation, they seek only to place man in condemnation of their own death not in justifications of life.

To have my eternal life justifications, a man must fulfill all of my divine lawful orders and no man in the flesh is capable of doing so for all that the flesh is capable of doing is hate and in hateful mind unmerciful. Only in heart of love are you able to fulfill my divine law become justified.

---

**I CHRIST JESUS I AM THE FULFILLMENT OF THE LAW**

---

I Christ I am the fulfillment of the law for the law is all about love and its fulfillment is only by perfect loving sacrifice. I Christ I am love of

*The truth*  
*In Jesus Own words –Part 1*

the Father revealed and as love the advocate and the utmost judge of every law and order. No one without me is able to fulfill the law for in darkness mind the heart and mind of man is of deep hatred both for my righteousness and for his fellow being. If you hate my righteousness then you are not walking in fulfillment of the law for all the law is about is my righteousness.

To be against my righteousness is to walk in condemnation of the law and unless you repent, you remain in such condemnation everlasting.

If you are a sinner and you keep casting a stone at others sinners then the one that you kill is yourself. For all of man is a sinner except I the sinless slain whom you accuse of blasphemy even though I am righteousness of life. You accuse me of blasphemy and judged me to die for your heart is wicked and deadly in evil. You can kill the flesh however, are you able to destroy the spirit of truth that is life itself? Fear not oh ye saints of death of the flesh for your flesh has to die so that your spirit may live.

Those that seek to silence a saint by killing them only do their spirit great harm. For I that is the real judge shall not only destroy your visible body but will condemn your entire being mind, body, spirit and soul to perish everlastingly in death as reward for your wicked evil. Know for sure oh ye all evil and corrupt judge of the world that are always quick to condemn, that the own you condemn are yourselves

*The truth*  
*In Jesus Own words –Part 1*

to perish in death everlastingly. You crucified the Christ in corrupt mind and in greater mind of corruption; you claim that there was no crucifixion let alone a resurrection. Well, whether you admit to crucifying me or not I say Christ as the I AM is not dead for I the I AM is WORD and as WORD life everlastingly. No man can extinct life for life is light and as light the ruling principle of the universal realm.

In your sinful body, you are all enemies of light for all you desire is to hide in the dark to cause evil chaos. I ask whose world is it anyway that has fallen apart certainly not mine for I am peace and as peace my kingdom is for the peaceful hearted.

Those of you that are hiding in the secret darkness places of the world I say you can hide from your fellow man all you like but I say nothing is hidden from my eyes for as God I am omniscient, omnipotent, omnipresent and omniscience.

I sit on my throne at all times as the king and the judge and as the God that is the Most highest I see all and know all. My judgment is final and as such, I must see all and know all. For only in knowledge of all facts shall I be able to make a final just and accurate judgment.

---

**I AM THE AUTHORITY ON ALL MATTERS**

---

*The truth*  
*In Jesus Own words –Part 1*

I am like the air that you breathe which although you do not see is there always. I see you all and I say for you hide to do evil you are already dead and I do not want the death of a sinner but for the sinner to repent hence I made the truth flesh so that you all repent to be in eternal life of peace, rest and joy.

I am a God of eternal joy and rest and I am always at peace for my work is perfect and finished.

My world is of peace for I am as God divine love and my show of divine love to man is in I Christ coming to earth to die as sin to cleanse your filthy soul and wicked conscience.

I am a supreme Spirit being and as a Spirit I am as word the authority on everything and as authority on everything, I have the first and the last say concerning every matter in all dimensional dominion realms. It is all finished for the devil and it is over for the wicked for everything is already done in eternity but shall be revealed to you in time for you to see it as done.

I am a universal God and the Father of all spirits but only the good on deeds do I see as my own.

The evil on deeds are children of the devil and shall inherit the eternal pain and sorrow of the devil.

*The truth*  
*In Jesus Own words –Part 1*

As God I am able to do all things and where you look in the ordinary you will never see me from there for just like the wind you never shall know where I shall come from.

I am a God of just and equitable ends and those that judge the righteous in evil shall pay dearly for it in eternity.

The world is temporary but eternity is permanent and many in wicked evil have booked a place in eternal lake of fire to perish forever. You are in the wrong trading in your evil hearts for is it not written in Revelations 13 that the beast shall mark you with his mark and that you shall not be able to buy and sell.

Many are in the mark of the beast engaged in wrong trading non-divine standards for which they shall be eternally at a loss. The object of trading and exchange in the spiritual realm is the heart and if you give your heart to evil then you are dominated by evil to be at eternal loss for all that you get from evil is nothing.

My trading standards are all established in my righteousness and my righteousness is love that has no blemish or spots.

Man's idea and concept of love is lust and all that lust is; is deadly desire.

Man in lustful nature is not able to control his desires so he is puppet for the devil to be toyed and played around with in a game of losers.

*The truth*  
*In Jesus Own words –Part 1*

You are winners in life when you are in goodness trading. You are in goodness trading when you profess goodness gospel in the world however if all you are interested in pursuing in the world is to be a devil's lying agent all for vain glory how shall you have any share in my heavenly glory. Only if you are engaged in my goodness trading shall you reserve a place for yourself in my heavenly abode to abide in my heavenly presence forever. No man is capable of redeeming his souls from death. I gave you redemption opportunity out of my graceful love but how many of you desire to seize this opportunity to save your souls from eternal death. The clock is ticking and today just like yesterday I call you all to repentance for evil shall become the evil and unless you repent, you do yourself great injustice for refusing to listen to the voice of reasoning. Let those that have ears hear.

## **CHAPTER 4**

### **I AM A GOD OF CODED WORDS HEREIN IS WISDOM**

Only the wise shall inherit the New Earth and Heaven hence let the wise open their eyes to see for herein is wisdom. Life is all about perfect calculations for without perfect calculations nothing shall add up right. Every man that seeks for the truth of the past must do so in the spirit for in the natural no man knows the truth about his present existence let alone his past or future.

As the Alpha and Omega, I know all things before time, in time and beyond time and here is my revelation to you to place you in mind of the whole truth as it was, is and ever shall be. Let those that have ears hear.

Before the foundations of the earth, I had already cast out the devil from my presence to be in eternal prison in hell. If you are in the devil, you are nothing but a convict that is in the devil's own evil convictions of his own death that he became of due to his wicked attempt to change the order of life from good to evil.

I am the order life and I am Good on Deeds and all that I made is for goodness sake not for wicked evil to prevail in anyway. I am a God of

*The truth*  
*In Jesus Own words –Part 1*

light and as light, only those that are in my light shall have the right codes for the gates to enter into heaven.

The dead shall run around with wrong coded words and messages only to discover when it is too late that they have been greatly deceived and all they have is nothing for it cannot open the door to eternal life.

---

**SIX, SIX, SIX IS THE NUMBER OF THE BEASTLY MAN**

---

Revelations 13:18 says “**Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number [is] Six hundred threescore [and] six.** I am a God of coded words, I know all codes, and I say the coded word that man widely spread in his world is nothing but the code word of death and as such shall not afford man the true meaning of life.

The true meaning of life man will only have if they work in mind of my divine calculations for only through walking in mind of divine calculations shall man have the true answers to life.

The answer is not just in the numbers rather in the meaning. Here is meaning, let those that have ears hear. The mark of the beastly man is 666 and this is the code of death that man in the beast is placed in to walk in the wrong code alongside death.  $666=18$  and 18 appears as

*The truth*  
*In Jesus Own words –Part 1*

right for 1+8 is 9 and 9 is my number of vengeance and as the number of vengeance the number of resurrection for vengeance is mine.

It is in my own vengeance against the devil that I raised man up from the dead to the shame of Lucifer for what he never can have man if they repent have the opportunity to have which is eternal life of peace by my graceful love. The devil as I said I have permanently condemned before the foundation of the earth to be dead forever in his soul for his evil attempt to change the goodness order of life to evil.

This devil's passionate hatred for mankind is mainly because even though man just like him sinned and in sin carries the wages of sin which is death man has the benefit of resurrection from death and he does not.

I created man in my image to be just like me good on deeds and as good on deeds my very own son that is to have dominion on earth in unity with me in heaven forever for eternal life of his soul everlastingly. Only my son has my power to empower for although I created angels to have great powers angels have no power to empower but are only my messengers and protective bodyguards of sons according to the way of my commandment.

*The truth*  
*In Jesus Own words –Part 1*

I created both man and angel to be of a free will and in their free will choose that which I say is right for it is the right thing to do. Lucifer for seeking to change the order of life desire to be no longer an angel and a bodyguard but a god to be worshiped. I created both man as my son and angels to worship only I the Most high God the Father of all Spirits and only those that worship me are in me alive for as the Most High God only I must be worshiped.

Because of Lucifer's evil choice, I condemned him to death for to choose evil knowing goodness is to automatically get the spiritual death penalty, which is immediate death of the soul.

Life is all about goodness, any choice evil is an attempt of eradicating life, and if there is no life, there can be nothing for life is the source of all things. Lucifer as a condemned angel became a dead fallen angel and as the fallen angel only in mind of evil and wickedness.

To worship me is to remain in life for I as the living God is the one that must be only worshiped as the creator of all things and not any other.

Lucifer for seeking to be worshiped and not be a worshiper as an angel made himself redundant in life for you are only of goodness reward of life if you serve the purpose that I created you for.

If you choose not to serve the purpose for which I have created you then you have no benefit from me.

*The truth*  
*In Jesus Own words –Part 1*

To be my messenger is to be rewarded by me eternally but to rebel against I your master is to commit the greatest act of betrayal there is.

As God that is love, I detest traitors and betrayers and for attempting to usurp power in an act of betrayal. Satan got all that he deserved which is eternal damnation and for this, I banished him to hell, which is a spiritual prison. Central to love is faithfulness and if you are unfaithful to me then you are my enemy and if you are my enemy then I certainly cannot give you the goodness reward of my entire creation for no one that is my enemy shall stand or rest in peace. Today many worship the beast that is death in blindness to the truth of life that to worship death is to be eternally condemned to remain in death of the angel of death.

Those that are in death are disengaged from me and if you are in disengagement you cannot see my goodness eyes let alone know me and to be at one with me you must enter into blood covenant with me through my own channel not through your own way.

---

**ONE IS THE NUMBER OF UNITY ATONEMENT**

---

As I have said, the truth about my number calculations is not in the actual numbers but in the meaning. The number one is the number of atonement and to be atoned is to be at one with I the I AM the goodness and the authority on all things as life in eternal life.

*The truth*  
*In Jesus Own words –Part 1*

The number eight is the number of faithful perfection and when you then see 1 and 8 and in wrong mind that you are alive and that it is up to you to take vengeance you will see yourself not as the accused sinner but as a god with ultimate power of judgment to decide who lives and who dies.

If you that is dead and filthy sees yourself as a god that is fully already atoned and in atonement in faithful perfection and in faithful perfection in resurrection of life then you will never seek to be in real resurrection and in resurrection genuinely be good on deeds.

Unless sin is fully atoned man remains in death for the wages of sin is death and it is only by my own faithfulness and loving grace that man is pardoned and forgiven of their sins for the faith of man in death is only of vanity.

A man is in death cannot be at one with me and only if you are at one with me do you walk in my faith of love to please me for without my divine faith no man can please me.

In the mark of the beast man that is dead sees himself as alive and the faith of man in death is of his own vanity desires and in vanity desires in condemnation of death.

Except you see that you are already dead you will not seek to be raised up. Unless you see that you are dirty and filthy as a sinner you will not seek to be cleansed.

*The truth*  
*In Jesus Own words –Part 1*

Unless you recognize that your faith is of vanity you will not seek to be of real faith. In wrong mind of faith, all that you will pursue shall be possessions and in vain pursuit perish forever in death.

The mark of the beast is the number of the dead man walking in the evil image of the beast to his own detriment.

Man in carrying the mark of the beast is in the wrong business, no one profits in evil, and in evil loss many soul perish through walking in the deadly image of the beast that is marked for eternal damnation.

Only if a man repents from his sinful ways shall he be in profit of life and unless you trade to profit your entire trading efforts shall all be in vain. There is no hope of life for anyone with the mark of the beast for the mark of the beast is the invisible mask of evil on man and man in this end times is marked by the beast for their evil heart hardened in sin to perish eternally in death.

The evil code of the beast locks man out of the gates of heaven for the real code is in the blood of the Holy Lamb.

---

**THE NUMBER FOR THE KEY IS SEVEN, SEVEN, SEVEN**

---

The key number that man must have to enter the gate of heaven is 777 and the first seven represents my seven Spirits of holiness. The second represents my seven Sprits of righteousness and the third seven represents my divine seven spirits of holy praise and worship. I exist in

*The truth*  
*In Jesus Own words –Part 1*

my self-existence to be worshiped and only those that has my perfect spirit in them shall be able to praise and worship me to my own desire and pleasure for eternity long.

Without my Spirit in man the praises of man is like a terrible loud noise, which does not move me but in my Spirit, mankind is in holy divine meditation to my pleasure and for the goodness of their own soul.

Only when you praise me in divine form shall you be blessed by me for the praises and worship of the living always moves me to be in heart and mind to bless.

The noise of the dead provokes me to wrath hence many by their so called worship offends me for it is not me that they worship. No one is able to know me except through the Son for the Son is my Word and my word dwells in me. Those that are not in the Son are in dead only know of my wrath.

The number Seven appeared in many places in the bible and seven as a number is the number of gracefulness perfection and you need gracefulness perfection to be in faithfulness of my love for without grace mankind is totally in opposite of divine faith of their vanity hope and desires.

My seal is 777 and this is the code and the seal of life that mankind must have to be allowed though the gates of heaven.

*The truth*  
*In Jesus Own words –Part 1*

777 =21 and 21 means agreement covenant to place at one with me.

Two is the number of agreement and 1 is the number of atonement and man in perfect atonement through remissions works is in reconciliation with me and in such reconciliations at one in unity with me forever.

This agreement represented by the 2 is sealed in the name and in the blood of I Christ Jesus and only those that are in unity with I Christ are in unity with I the Father in eternal life.

Only those that are sealed in blood covenant with me though I Christ is in holy covenant with I the Trinity God that is all glory and Almighty everlasting.

Before you received 21 you had 12 and 12 is the number of power and in power only are you in ordinance of life and only in ordinance of life are you in the order of rightful governance which is the dominion of light and holy fire.

You have 12 to be at one in faith of love to be in agreement with me as love and as love eternal life.

This is the covenant that I made with Noah and with Abraham and subsequently through the line of Isaac and fulfilled in the name of I Christ Jesus.

*The truth*  
*In Jesus Own words –Part 1*

To be my blood and as my blood my son you must wash with my blood for only my blood can wash a man clean of his sin. The spirit is the one that is in contamination of sinfulness as such, no man is able to cleanse his spirit from sin through carnal ideas of righteousness. The righteousness of man is nothing but a filthy rag. For it is formed entirely in hypocritical carnal ideas of the flesh practiced in mind of holy pretence to deceive yourselves and other men that you are pure and holy. Righteousness is all about divine holy life and unless a man is divinely righteous before me, he shall only know my wrath not my love.

Everyman is a spirit being and to spend so much time trying to make clean the outside whilst the inside is full of death is evidence of lack of spiritual knowledge.

The spirit is the main being hence the one that needs cleansing and no man is able to do enough goodness deeds to make his spirit free from sinful death. The spirit of man in death is evil and demonic and in demonic existence, the works of man is all evil and wicked.

The state of the world today is prove and evidence of the preferred choice of man that it is extreme wickedness and evil in heart and mind to remain in sin and in sin in slavery to death.

The evil ways of man follow them to their graveyard to place him in eternal death. Your mission quest in the world is to find the truth and

*The truth*  
*In Jesus Own words –Part 1*

if you are the fool and you seek to trade in lies then you remain in the eternal death of the everlasting liar, which is the devil.

---

**MY FINAL ANSWER IS EIGHT, EIGHT, AND EIGHT**

---

I say again today let those that have ears hear for here is wisdom. I am Word and as word, I have been speaking to you all since the beginning of time for the benefit of your soul.

Now is really the time to listen for this is the final call before the sounding of the trumpet.

Romans 10:17 “***So then faith [cometh] by hearing, and hearing by the word of God***”.

I am a faithful God and I speak my word of faith to you today to place you in line of good faith.

I am the Alpha and the Omega the bright and Morning Star and my personal final coded word of truthfulness is 888. If you add it all together you will get 24. My eight-day commandment unto Abraham that he should circumcise all male in his household whether bound or free is symbolic of crucifixion. Crucifixion was necessary for the essence of human heart circumcision to place them in the true mind of good faith of life. You get 888 by my multiplications of faith. For just as I have multiplied grace from beginning to the end, so have I shown my multiple faith to keep man in line of salvation to the very end. It is

*The truth*  
*In Jesus Own words –Part 1*

by my faithful perfect atonement that all of man have the benefit of resurrection whether they are Jews or gentiles, bond or free, male or female. This is my coded word message unto Abraham in my entire adjoining covenant relationship with him to afford man the opportunity of heart circumcision for the benefit of their soul salvation.

The number 24 is the number of the only begotten Son through which all others can be sons. You cannot be a son unless you have the knowledge of a spiritual elder.

The 24 elders as detailed in the book of Revelations paid homage to the Lamb to have the entire benefit of the kingdom of life. This is wisdom and only those that walk in spiritual understanding shall inherit the kingdom of life.

The fools by their foolishness shall perish in the eternal lake of death for only those that washes their spiritual feet and hands well shall dine with the king at his table.

The number 2 is the number of agreement and 4 is the door and only those in 2 are allowed to enter though the door. I Christ I am the perfect covenant agreement seal through, which mankind is able to be in reconciliations with I the Father.

*The truth*  
*In Jesus Own words –Part 1*

I Christ as the agreement covenant is the only door to the Father and to try to enter by any other means is to be a thief as written in St. John Chapter 10.

I know all about code numbers and you will always get the wrong answers in carnal calculations for as I said numbers is all about the meaning I give to it. Unless you have my own meaning, nothing will add up for without the right meaning you cannot get the true answers. The number 2 from 24 as I said represents agreement and I Christ as the second arm of the Trinity is the agreement of love given to man by I the Father to free man from the curse of six and place man in total seventh glory to be in justifications of life.

The 4 represents the door and I Christ as the agreement fulfillment of love I am the door to eternal life in the Father and in the Father eternal joy, peace and rest in the righteousness of I the Holy Ghost.

The bible in his whole context mentioned in several places in word and coded number wordings that I am the door and as the door the only way to of reconciliations with the Father.

In Daniel chapter 9 you have by vision of Daniel the vision of seventy weeks. The interpretation of Daniel's vision is this. You have 77 weeks, which is seventy and seven weeks. Then you have 62 weeks and the calculations is  $7 + 7 + 6 + 2 = 22$  and  $22 = 2 + 2 = 4$  and 4 is speaking of I

*The truth*  
*In Jesus Own words –Part 1*

Christ as the door and as the door the one as written in Daniel 9:24 to make an end to sin.

The number 4 also means 3+1 and 3 represents the Trinity and it is in perfect unity of man with the Trinity that man is forever established in eternal life.

For man to enter the door they need 9 and nine represents my vengeance and by my vengeance resurrection for man. In adding 9 to 22 you get 31 and 31 still gives you 3+1 and in perfect atonement man in addition to the Trinity is 1 with the Trinity to be in multiplications of life in eternal life of goodness.

In such multiplications, therefore 70 and 7 becomes 70 times 7 =490 and 490 means 49 for 0 is no number and 0 which is nothing is the number of Satan. 49 means through the door man in my own vengeance is in resurrection of life to be in eternal life.

The 62 becomes 6+2 and 6+2 gives 8 and 8 is the number of faithful perfection and in faithful perfection man is in graceful perfection seal.

When you add all the equation together which is  $4+9+8=21$  and 21 as I said is the perfect seal. 2 is the number of agreement and 9 is the number of resurrection and 1 is the number of atonement so  $2+9 = 11$  and 11 was what was left of the twelve disciples and the agreement is not of man with man but of I God in high Trinity with man to place man in perfect goodness life.

*The truth*  
*In Jesus Own words –Part 1*

Therefore, I as the one God in adding 1 to the 11 makes it 12 and 12 means in atonement through the blood of the Lamb and by such atonement man is in perfect agreement unity with I the ordinance power of life everlasting.

In Genesis chapter 6 verse 3 I said “***My Spirit shall not always strive with man, for, that he also is flesh: yet his days shall be an hundred and twenty years.*** One hundred and twenty years here means 12 for zero is no number.

The tribe of Israel is 12 and the tribe of Ishmael is 12 making 24 however in rejecting the arm of grace man as represented by my chosen nation is not as a nation in agreement hence locked out of the door. As a result ends up with 6 instead of 7 and 6 is death in man as their wages of sin.

The descendants of Ishmael I blessed with material wealth but the descendant of Isaac I placed in spiritual covenant with me to establish all of mankind including the descendants of Ishmael to be in holy covenant with me in eternity.

Though my spiritual covenant with the descendants of Isaac I established my eternal covenant with mankind through I Christ Jesus to be in blessings not just temporarily materially but in everlasting richness in the goodness glory of my kingdom.

*The truth*  
*In Jesus Own words –Part 1*

The total law that I gave to Moses is 618 and  $618 = 6+1+8$   
 $=15=1+5=6$  meaning man is in death as transgressors of the law.

Without atonement by grace, man will remain at one with death for man although have knowledge of sin through the law he is unable to fulfill the entire law to resurrect from death. This is because in sinful death man is only carnal and in carnal mind of a deadly and wicked mind use of the law.

The number 15 which is the answer from the law did not place man in the right answer for no man is able to walk in total obedience to all the law in the flesh for the flesh is sin and as sin in bondage of death.

The law I gave to make it obvious to man that only by my grace shall man be saved for if man is not able to abide by the law for man in flesh is dead in the spirit and in spiritual death loyal to sin how then shall man be justified if not by my grace.

The right calculation therefore is not in just having the law but  $718 = 7+1+8=16$  and  $1+6 = 7$ . Seven is my own gift out of my own faithfulness to change man from 6 to 7 so as to place them in eternal goodness of life. The equation 718 means by gift of my gracefulness love I added to man my gift of life and as such I placed man in resurrection to be at one with me to be in my own divine faith and in divine faith in eternal inheritance of life.

*The truth*  
*In Jesus Own words –Part 1*

I Christ choose 12 disciples and Judas is representative of Satan as the betrayer before the foundation of the earth.

With Judas as the betrayer removed it leaves 11 and this is the right number for the unity is not of man with man but of I God with man to place man in holiness character of life.

It is in this unity of man with I Christ as the perfect sacrifice that I am able to pour my Spirit upon man for goodness sake of my name.

In Acts chapter 1 verse 15 upon my ascension, it is written “***And in those days Peter stood up in the midst of the disciples, and said, (the number of names together were about hundred and twenty***”.

The number 120 here is 12 for zero is no number and the 120 in Genesis chapter 6 verse 3 is also 12 for zero is no number and add my divine number 12 to 12 you have my code revealed and fulfilled which is  $888 = 24$ . This means the agreement is now established and man through I Christ as the perfect Lamb sacrifice can now enter through I the door. It is only through the door that man is in power of life and in power of life walk in ordinance of life in governance of goodness for goodness sake.

Those that are not in power of life are subject to the ruling of evil darkness principalities spirits and no one that is subject to darkness rule can have joy, peace or rest either in time or in eternity for evil gives no rest but eternal condemnation and damnation.

*The truth*  
*In Jesus Own words –Part 1*

It is to place man in realistic revelation of dominion power of life that in Acts chapter 2 I the Holy Ghost came down as the Comforter to place man in my tongues of fire as I Christ promised.

The giving of my Spirit to man is the gift of life to place man in holiness character of life and in holiness character in eternal live of peace, joy and rest.

Man became in confusion of tongues in Genesis 11 by trying to build a tower of Babel and in confusion of tongues the word of man was to his own detriment in bondage of sin in darkness shadow of death.

The tongue of fire which man lost in Genesis 11 I gave back to man in Acts chapter 2 to place man in protective word and not in vain words of negativity for which there is only weakness and in weakness eternal death to the soul of man.

It is finished and all that I need to do is all done and established in eternity and shall be revealed to man as done in my right chosen time. You bath with water on earth and I say that unless you bath with my blood and by my blood fire in your spirit you will be smelling and dirty just as you will be smelly and dirty in the physical if you do not bath with water.

To be dead is to be a demonic spirit and to be a demonic spirit is never to be able to bath with my fire for my fire and the cloves of tongues I

*The truth*  
*In Jesus Own words –Part 1*

gave to man not for self-gratification but as their spiritual weapon to consume the deadly demons in the world by fire.

The spiritual weapon of life is fire hence I came to baptize you with fire but for you rejected the truth, many of you today are totally in death of your souls smelly and dirty demonic beings.

This is wisdom that world does not want you to have. No other is able to give you this wisdom for I only know the meaning of all things. This is the right code that you cannot decode yourselves and unless you have understanding of these codes, you shall remain in mark of the beast to perish forever. You cannot get this truth from the world for the world is antichrist and as antichrist, hates divine knowledge and wisdom.

Divine knowledge is power but canal knowledge of the world buries man deep in eternal death of pain and sorrow.

The seal of life is I Christ Jesus and now as the blood seal of life I speak to give my seal and my mark of life to the repentant but for those that seek to remain in the beast I say continue to shout blasphemy to your own disadvantage. However, know that although it looks as if you buy and sell to profit in the world all that you sell is sin and all that you buy is eternal shares in death.

What shall it profit a man to gain the whole world but lose his most prideful possession, which is his own soul?

*The truth*  
*In Jesus Own words –Part 1*

I speak to mark the repentant with my own blood as the perfect sacrifice and to seal them in my own word so that death will pass them over.

For in this final hours the devil shall devour so many for many walk around in the mark of death destined for eternal death in the mind that they are alive and well.

This is the time of true revelations so that it is known across the nations that I Christ Jesus of Nazareth I really I am the resurrection of life. I say to the human in the world shut down your eyes and ears from the world medium for the world medium is the medium of death not of life.

Now is heaven media open transmitting to you direct the good news to place you in perfect understanding of life. Therefore, I say watch this space for this is just a wake up call to the beginning of deep revelations.

This is the beginning of Revelations and there are more revelations to come from the Morning Star. Let those that have ears hear. I shall place your mind in true revelations and the wise amongst you shall follow the Morning Star all the way to the land of I the king of kings but the fools shall follow the fallen dark angel in total blindness all the way to the pits of hell.

*The truth*  
*In Jesus Own words –Part 1*

Those that follow the Morning Star shall never miss the road and shall be established in I the I Am king of kings as kings but those that walk in darkness shall go round and round in circles and perish in death. For in their evil mind of trading their heart and mind shall be of vanity and in vanity dead forever.

This is wisdom and now let those that are wise listen to the voice of truth and let them be in my peace, rest and joy in eternity. I speak in this hour so that you know for certain that the truth is life and if you reject the truth you remain in the mark of death to perish eternally in death.

I speak in my own honor for the goodness of mankind and if anyone have ears let them hear.

This is understanding of life given to you by I the oracle word of life receive and digest it with gladness for it shall save your soul from perishing in eternal death. Life is divine hence the answers to life you cannot have in the flesh for the flesh is dead to the truthfulness of life. You have searched in mind of carnality and the demons have misled you to be in deeper confusion mind. Now I speak let all those that have ears hear for those that hear not in this last hour shall be in condemnation of death forever and ever. Peace be unto you oh ye saints of life for even though you shall die as flesh I shall raise you up. Persevere I say for you shall find that the glory of life that you shall

*The truth*  
*In Jesus Own words –Part 1*

have everlastingly is worth all that you go through. Blessed are those that are of good faith for the reward of their faith is everlasting life of joy, peace and rest in my eternal life kingdom.

## **CHAPTER 5**

### **REPENT NOW AND BE SAVED**

Now hear from the truth the whole and real truth oh ye people of mystery Babylon and be free from eternal death. Repent from your sins I say and be saved.

The princes of the world are foolish minded for they are deceived and in deceit they are in the dark.

Darkness is upon the world for the alien nation have come in the last order of the beast to lead man in evil and to place their mind in confusion. Man from his ways has invited deep evil to dwell in their hearts to torment their souls.

Man in reprobate mind of sin is no longer of natural feelings. The righteousness of life is regarded as offence. The company that man keeps is of demons and this many demons lead the mind to be in desire to kill for they are devourers of the flesh and blood suckers.

The language that man speaks is of death and in language of death, the soul perishes in the evil of death.

The eyes of man is blind and their ears are deaf for they have no desire for the Spirit of goodness but of principalities domain for their heart is evil and their mind is wicked.

*The truth*  
*In Jesus Own words –Part 1*

Woe onto Satan for that name is cursed in heaven and on earth forever. Woe to the followers of the devil for they shall never see the light.

Woe unto deceivers that deceives the mind to sin for they never shall have my benefit reward of life. Woe unto those that are wicked and evil minded for my judgment shall be fierce. Great is the afflictions of the righteousness in the world for the wicked walks around spreading his wings but the righteous that is afflicted shall sit to judge the wicked that afflicts them to place them in eternal death where there shall be no resurrection.

---

**THE TIME HAS COME OH ISRAEL TO ENTER BY THE GATES**

---

The time has come for the truth to be made clear and the days have come oh Israel for you to know that the Lord your God is a faithful God. As a faithful God, I shall always keep my word to place you in the truth to the very end even though all you have been is a stubborn stiff neck.

You that stone the prophets of I the living God. If you are only in mind to condemn righteousness and embrace wickedness how then shall you see the truth. I placed you in knowledge of my light to be light but you choose to be in darkness.

*The truth*  
*In Jesus Own words –Part 1*

You that I made to be a beautiful wife but choose to be filthy, dirty harlot all for nothing but lust of the flesh.

You that I made to be a light in the world but you choose to be darkness for your eyes are closed and your mind is wicked.

You that I made to be in richness of life but you chose to be in poverty domain by the wicked choices that you have made.

I the God of the spiritual Israel is God unto the righteous. The righteous confirms and affirms by their ways on earth that the purpose of life is goodness through their perseverance and endurance in my righteousness. Woe unto you false prophets for you shall perish everlastingly in the burning fire that never quenches.

Woe unto the wicked seers that deceives the people to feed their vanity lustful desires.

Woe to the lustful generational sinners.

Woe to the wicked and darkness minded.

Have I not oh Israel delivered you from slavery? Did I not place you in the will of life? Have I not oh Israel been faithful unto thee in all that I do?

Have I not been unto thee a God and have I not always been there for thee. Israel where is your faith?

Faith is only good faith when it is faith of love. For goodness sakes my faithful final answer to you is I Christ Jesus.

*The truth*  
*In Jesus Own words –Part 1*

The evidence of my faith is I Christ for by my given you I Christ I have shown to you my finished and perfect works of loving kindness. Evidence of faith is in your works and the evidence that you are of good faith and in good faith of good works is in your loving character. In Christ, I have shown you my entire loving kindness and if you are still in expectations of another Messiah then I ask what would be the essence and purpose of his coming.

My deliverance plan is spiritual for whether a man is free or in bondage is not a matter of visible determination; rather it is matter of whether the spirit is free from sinful contamination.

A spirit that is in contamination of sin is in bondage of death and my entire plan for you is to free you from spiritual bondage of death not just, from what you see as bondage in the visible.

To be in covenant with death is to have a mind of carnal ritualistic vain faith. The reward for those that are truly faithful in the world is that they have hope of eternal life and the reward of good hope is joy always in their soul now and forever.

When you have hope of life you have joy and to have joy you must have true faith and to have true faith you must have true knowledge of true divine faith.

If your faith is of vanity then your commitment shall be towards the things that are of death and if your faith are of things that are of death

*The truth*  
*In Jesus Own words –Part 1*

then how shall you have hope of life promises or walk in fulfillment of those promises.

To have hope you must have faith and to have faith you must know what faith is.

---

**I CHRIST OH ISRAEL I AM DIVINE FAITH OF LIFE  
REVEALED**

---

I Christ I am Word and as Word I am divinely faithful. As faithfully divine word of life, I am the light of the world by which you can see your way through the wilderness jungle of the world into my kingdom of light where you shall have eternal joy and rest everlastingly. You have heard in this day about the gospel of Judas Iscariot how can lie be good news. The gospel is the truth and as the truth the good news of life. I Jesus as the gospel truth now give you my gospel and my gospel is life.

If any man is ashamed of my gospel then shame to him forever for my gospel is about resurrection of life. If you are ashamed of life, how can you expect life to be proud of you?

Those that are ashamed of life deserve to be in their death for to be in death and reject resurrection from death to life is to be buried in the shame of the fallen angel that I have condemned to perish in his own death everlastingly. 1 Christ I am life and I speak as life and as life the

*The truth*  
*In Jesus Own words –Part 1*

authority of life and as the authority of life the power and authority over all matters of life and death.

The dead have been speaking giving you sad news from hell now again in this final hour I give you the good news. My good news to you all is that if you repent from sin you shall be in resurrection of life. If you repent and stay repentant, I shall forgive you your sins and through forgiveness out of my graceful love, you shall be free from bondage of sin forever.

The Christ that you reject is the true Messiah and as the true Messiah the word of perfect creation as the light of the universe. The gospel according to St. John chapter 1 verse 1 says “***In the beginning was the Word, and the Word was with God, and the Word was God***”. The same chapter of the same book in verse 14 reads “***And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth***”.

I am that Word that came to dwell amongst you whom you crucified, accused of blasphemy, nailed to the cross and denied resurrected from the dead.

For I am not dead but always alive I speak now through my own chosen vessel for who amongst you know the direction from hence the air or the wind comes from.

*The truth*  
*In Jesus Own words –Part 1*

I am the order of life and I speak now so let the liars be silent and let the truth speak for a change.

I speak for the hour is very near that the world shall have a full taste of their own judgment. The time of my return is round the corner. I call you again to repentance and be saved from eternal death. Whosoever is outside the ark which is the I AM at the sounding of the trumpet shall end up everlastingly destroyed by my rain of consuming fire in this end time world of Sodom and Gomorrah. The portion for the wicked is greater wickedness portions and I say to you all let those that are good be good still and be evil be evil still for all in the final day of judgment shall receive their deserved reward.

I Christ I am the final ark of grace and as the ark of grace the door to the eternal life. Noah preached repentance in the beginning of the first end time and no one listened for you are meant to be regenerated. Now I have come and it is finished. Whosoever I find with sin upon my return shall have no chance to resurrect from death ever again. Let anyone who says they are the truth come now to present their case as to why they are the truth. The truth whom you accuse of lies can speak for I am not a mere mortal but the divine word of life with total authority over life and death.

*The truth*  
*In Jesus Own words –Part 1*

If I am only a mortal and as such dead, I will not be able to speak as I now speak. For when the mortal leaves the world and finds his spirit back in domain of death all that he shall be in mind of is to return again to the world in his dead spiritual body to continue his search for life. The dead is in mind of reincarnation to the world of the living dead to continue to seraph for his lost soul however once you find your way home why would you want to leave light to return to darkness. This is wisdom let those that have ears hear and understand that the many that walk in the world are not the living but are the walking dead.

---

**MAN IS ON EARTH FOR REGENERATION SAKE**

---

Man is on earth for the sake of regeneration from death to life and no man shall be in life regeneration unless they accept me as their Lord and savior. The many dead in the world will remain dead unless you repent from sin to be in resurrection of life and in resurrection of life walk in total benefit of eternal life.

I came to give you understanding and wisdom but your rejected it for foolish reasons and in foolishness you are in madness spirit suffering from the depression of Satan. In satanic depression, you are in your soul compressed in heavy laden of sorrow in slavery to unto death.

*The truth*  
*In Jesus Own words –Part 1*

My message is of love and for you rejected it is evidence that you hate life for life is all about love. Without love you cannot have the joy of life and this is my law and message to you that you should love I your creator and one another as you love yourselves.

How are you able to love yourselves in death when all that you seek to do is feed your bloodthirsty spiritual taskmasters with flesh and blood? You kill each other all for nothing for you have no knowledge of life. Many perish for they lack knowledge for without knowledge no man can have open spiritual eyes to see in my light visions.

My gospel is of life and to afford you still the benefit of eternal life rewards I speak to you today just as I have always spoken to you to depart from darkness sin as a nation and return to light for goodness sakes of your souls.

My way are perfect and excellent and my righteousness' is total divine righteousness. My principles are for the goodness justifications of life and my name eternally as the Trinity one God is Holy, Holy and Holy.

---

**DEPART FROM VAIN RELIGION OH YE FAKE  
CHRISTIANS**

---

Now those of you that are really in unholy trinity covenant with the beast but call yourselves Christians you know yourselves. I say repent for if you continue to deceive yourselves you perish forever.

*The truth*  
*In Jesus Own words –Part 1*

Christianity is not a world religious idea or any so called western concept. Who amongst you is westernized in civil divine ways of life? Is not your idea of westernization all to do with selling and marketing vanity in evil trade mind of deadly non-profitable world commercialism?

Civilization is a divine concept and in divine terms to be civil is to know good and evil and choose to do good in goodness holy divine character. It is only by so doing that you are free from civil war of the mind for the enemy game is all a mind game.

I know all about civil liberties for it is to place mankind in spiritual eternal civil liberties that I gave my own flesh to release you from death. However, you all take liberties by your own wickedness and in pursuing your liberty to sin you remain in bondage of death.

Christianity is not about lowering the standard of truth to attract the world to join you. To be a Christian is to carry my holy marks of life and only those that carry my holy marks of life shall be allowed to enter the gates of heaven.

Many so called Christians today have not my holy seal even though they call themselves Christians for if indeed you all are all true Christians that call yourselves Christian in the world today how then is the world in so much thick darkness.

*The truth*  
*In Jesus Own words –Part 1*

A true Christian is light in the world for I Christ I am light and if you are in me shall you not walk in my light to shine in the world as light.

Christianity is unity with I Christ to be in unity with the Father. I the Father and the Son is one and this is the true gospel.

As word, I live in the Father and the Father lives in me. For is it not the case that your word lives in you and you are the word that you speak? What is in you is what you bring out for others to see for no matter how good a pretender you are your character gives you away and your character is evidence of the nature of the word that is in you.

If I am in you then you shall be in mind of peaceful holy character.

However if the devil is in you by your character you shall be known.

Even if you deceive man by acting holy can you deceive I THAT I AM that sees all.

## **CHAPTER 6**

### **THE WORLD OF SIN IS ALIEN NATION OF THE DEAD**

The world is in darkness and many evil spirits are in the world for man has sunk to the depths of hell and now the entire aim of the dead man is to bring complete picture of hell to the surface of the world.

The aliens are amongst you living inside of you and inside of you oh inhabitants of the world they lead you to the road to perdition where you shall perish in eternal death.

I Christ I know who I am so it matters not whether you say I am not who I am. My question to you all is who are you and from hence do you come from and where do you end your journey.

As the son of man on earth, I knew who I am; where I came from and I knew where I shall return. Thus, all that you did made no difference for I know who I am and always shall be.

If you do not know who you are how then can you be an expert on who I am and who I am not.

You all waste your time chasing lies from the darkness shadow of death. In chasing nothing but lies that are from the darkness shadow of death your soul remains in sorrow of death in danger of eternal damnation of death.

*The truth*  
*In Jesus Own words –Part 1*

In your state of anarchy and confusion, you parade the world well in devil's possession and in wicked thoughts; you think you are all knowing in your canal mind of death.

The problem with the wicked is that the wicked in madness of his own wickedness does not appreciate the eternal consequential result of his wicked acts. If the wicked is in mind of rewards and in such mind appreciates the fact that the reward of his wickedness is greater portion of his own wickedness not in time but in eternity would any sane being desire to be wicked?.

To be in mind of wickedness is to be insane for the few saints that are sane amongst you knows better not to dabble into evil for evil only brings evil rewards. Life is all about love and as love revealed I Christ, I am the righteousness of life.

You have all tried to define love and failed so as love I give you the true definition of love and that definition is that I love I am holiness. Love is holiness and holiness is righteous and righteousness is life and as life eternal life forever.

The concept of love in the mind of man is carnally and adulterous for man in evil hearted is never faithful and a key aspect of love is faithfulness.

Without faithfulness then you cannot be committed in your hearts to divine loving ways of life. If your concept of love is about adulteration

*The truth*  
*In Jesus Own words –Part 1*

then how can such idea concept of love bring joy and security of life. No one feels secured in a relationship of no commitment for only when you are in a living relationship shall you be in full mind security in life.

For long, I have listened to all your ghastly arguments and accusations and for long, I have spoken to you to keep you in focus of the truth As this is the very final hours I give my final testimony as the Holy Ghost so that the truth is made clear.

How has the mighty fallen and how have you all turned to slaves dirty and smelly for you are sick in your minds and you seek healing from death. No one is able to give life but I the I AM and if anyone of you have a witness of another that claims to be able to give life as the authority of life let them speak now or be silent forever and ever. The philosophy of man is all about promoting sinfulness. The faith of man is canal and entirety of vanity upon vanity. The works of man in their carnal nature is evil and in evil works, man is without hope of life.

You are all seeking evidence of me in your flesh and the fact that you do such things is evidence of your foolishness for flesh and blood in deadliness of sin is antichrist. Death is Lucifer and he deceives you to devour you for in this last hour he like a roaring lion looking for who to devour for he is extremely flesh hungry and blood thirsty. I that is

*The truth*  
*In Jesus Own words –Part 1*

your friend you crucified for you love to sin. I that is life you rejected for you hate the truth.

Wake up Jews and Gentiles. Change your ways you that are deceitful and call yourselves Christians. For the wicked spiritual aliens live amongst you to place you in evil commandment of sin and your long telescopic objects cannot find them. Your alien enemies sees the entire you and you cannot see any bit of them. How then shall you be able to defend yourselves against them if you do not even see that they are there within you to destroy your souls everlastingly?

The world says it is technological advance and progressively intelligence but I say in terms of true technology and intelligence the world so called intelligence is like a billion of years behind realistic intelligence.

This is why the aliens possess you in the visible invisibly to lead you to destroy yourselves in the visible to be their food their in their invisible darkness corner.

---

**YOU ARE NOT ALONE FOR ALIEN BEINGS ARE  
AMONGST YOU**

---

Many of you have asked the questions are there really aliens.

*The truth*  
*In Jesus Own words –Part 1*

The question you be asking is what is the meaning of alien? An alien is a foreigner with no right of abode in the land. An alien is a foreigner that has no right of occupation and to have right of occupation the alien has to be given immigration rights by the landowners.

The aliens that have invaded the world are fallen angels and darkness demonic spirits from the principalities darkness realms. They have invaded the world on emigration invitation by the world through man wicked heart of sin. Many principalities fallen angels have visited you to place you in mind of wrong prophecy and many are in the world working from inside of man to deceive you to the very end.

Many shall spread all kinds of rumors and they shall say there shall be no second coming. They shall say since the beginning of time all things continues as they were.

The bible is the book of truth hence the aliens spend much time criticizing the bible to prevent you from finding the truth therein. The book of second Peter in Chapter 3 from verses 3 reads **Knowing this first, that there shall come in the last days scoffers, walking after their own lusts,**

**3:4 And saying, Where is the promise of his coming? for since the fathers fell asleep, all things continue as [they were] from the beginning of the creation.**

*The truth*  
*In Jesus Own words –Part 1*

**3:5 For this they willingly are ignorant of, that by the word of God the heavens were of old, and the earth standing out of the water and in the water:**

**3:6 Whereby the world that then was, being overflowed with water, perished:**

**3:7 But the heavens and the earth, which are now, by the same word are kept in store, reserved unto fire against the day of judgment and perdition of ungodly men.**

**3:8 But, beloved, be not ignorant of this one thing, that one day [is] with the Lord as a thousand years, and a thousand years as one day.**

**3:9 The Lord is not slack concerning his promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance.**

**3:10 But the day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up.**

This is the gospel truth that the evil fallen angels do not wish that you discover from the bible. The world shall pass away and the evil therein but those that abide in me shall live forever.

Every man is in the world need to find the truth and if you belief you can find the truth through carnal mind and nature you shall perish in

*The truth*  
*In Jesus Own words –Part 1*

death forever. It is good that you all have a curious mind to find the truth but to seek to give meaning to a galaxy that predates you is nothing but a waste of your valuable time.

The galactic system is a system of highest power intelligence and I the Great I AM is head of all there is as the creator of all things.

Real power is not in the visible but in the invisible for in the invisible is all things established to be made visible so that in the visible you bear record and witness that it is thus established in the invisible.

Darkness power is invisible power and unless you are fully established in high dominion power of light in the invisible, you will be a puppet in the visible to the wicked fallen dark angels. As their puppet they shall make use of you as their weapons of mass murder for they are always hungry for flesh and thirsty for blood.

The aliens have entered deep into your mist abusing you in your sleep for man although is walking is dead. This death is a deep sleep and the entire aim of the alien spirits is to put man to a deeper sleep so that they will not wake up on time to find their way back to the gates of heaven.

Mankind has been fascinated with aliens for many years and their fascination is no coincidence for just as you are fascinated with them so they are fascinated with you leading you to eternal destruction for your mind is wicked and your heart is stony.

*The truth*  
*In Jesus Own words –Part 1*

Demons are foreign darkness spirit that toys with the mind from the inside and whilst many of you look for the enemy on the outside the enemy actually lives inside of you. The advantage that a demonic spirit has over man is invisibility for no one is able to see a demon with ordinary eyes and this is why man continues to be deceived for they seek to see with their ordinary eyes things that are not of the ordinary.

The world is a world of wicked prisoners. Alien spirits are condemned spiritual prisoners before the foundation of the world due to their sinfulness rebellion. As spiritual prisoners, they are in the atmospheric realms of the world for the world as I said is a prison yard of entire spiritual criminals.

Only by repentance shall a man be set free from the imprisonment of his soul in death and no man is able to set himself free for the forces that you face is invisible darkness forces that no man is able to face or withstand on his own. Most of you in the world instead of seeking to change and be of good behavior and in good behavior have my pardon and in pardon have my release from the prison world of sin you waste your time rioting and engaging in bad behaviors. This is foolishness for how can you attain freedom when all you are in mind of it to continue in the manner of sinfulness.

The alien forces that are your cell mates works from the inside out and unless a man is protected by my fire such man shall be a subject of

*The truth*  
*In Jesus Own words –Part 1*

alien possession to ruled in death for evil sake. The alien possesses the human body to abuse and toy with the mind of their possessed prisoner and ultimately to make them their evil and wicked messengers. An alien game is a deadly game and they play not to win but to make the one that they play with to be a loser just as they are. An alien as a condemned spirit knows that he is void of life forever and as such a complete total loser before time, in time and in timeless eternal era everlastingly.

You are all on a pilgrimage on earth to choose between good and evil and where you end your journey depends on who you have chosen to lead your mind and whose operations works you performed.

My operations works is redemption works and it is for the soul of man to be operational in light and in light in goodness of eternal life.

My operation is high power operation and it is not for the die hard but for the never die who in faithfulness to life walked in faith of eternal life so that goodness of my love is seen.

Man in sin is dead to the truth and in deadliness of the truth you hate the truth and love lies for your mind is wicked and evil.

Mankind in sin is in alien nation. In the alien nation of principalities that is equipped with a much more advanced techno power and invisible toy and gadgets how can you be a match to what you cannot see let alone fight it to win.

*The truth*  
*In Jesus Own words –Part 1*

Oh you inhabitants of the world take a very close at your world. Is it not falling apart as I said in Matthew chapter 24 that it would be? Children no longer obey their parents and parents no longer have time for their children for they are kept busy by the compressive rule of principalities realms. Many are in debt with no peace of mind. The money in the world is controlled by the few as a means of oppressing the masses. The masses for the see money as their means of salvation from oppression are only in mind of one thing only which is to pursue and have money by all means to become part of the oppressor gang instead of the oppressed.

Children have no fear of I the creator of heavens and earth let alone their parents. Parents are unwilling to take responsibility for their own children and just as Eli is judged for his failure to bring his children into order so shall many be judged for their children.

If they repent, they will find forgiveness but how shall they repent when all that you feed on is lies upon lies

---

**IN DEEPER ALIEN NATION MAN IS NOW MORE  
DESPERATELY EVIL**

---

Many are in the possessive and compressive hands of the devils and for they are possessed by the devils, they have become killing machines. For all that they see, hear and know in the hands of their

*The truth*  
*In Jesus Own words –Part 1*

alien possessors is deadly and wicked evil. In the hands of their deadly enemies, they easily yield to their commanding words to kill for they have no power to resist such commandments.

Your world oh man is in chaos for you have opened your door to sin and how shall peace be with you when all that is within you is sinful death?

I am peace and if a man is not in me then such man cannot have peace. Your world is a world of war and high crime for you have made yourselves available to dead spirits to be slaves in death for you love to sin.

You have inherited extreme sexual promiscuous evil desires from your alien masters and all you now have an irresistible urge to continuously rape and abuse each other. Every commandment you receive from your evil taskmasters is of wickedness evil. For you obey their wicked will you suffer extreme pain and sorrow in your souls.

Aliens are promiscuous dead beings and in evil mind of promiscuity hides inside of man to rape them in their deep sleep. The abused is only in mind to abuse for what you get is what you are in mind to give. The wicked spirits in man feeds their mind with sinful desires and in such sinful desires, man has no power to control his deadly evil urges to sin. Since man is unable to control his yearn and desire to sin the heart of man is increasingly more hardened towards the truth. As a result, instead of having a mind to repent from sin and be free from

*The truth*  
*In Jesus Own words –Part 1*

condemnation of death all that the possessed human desires as a demonic salve is to pursue his sinful desires to openly practice sin as a matter of right. By so doing he remains guilty of sin and continues to deny himself true rights of justifications of life for no man is justified in sinfulness.

This is the problem of man in the end time and with many more in mind of sin rather than repentance, many in the world have become more in this final hour more desperately wicked and evil. The surface result in the world is more extreme chaotic disorder. Many for they are in the body of sin are only of the desire mind to feed their wicked principalities fallen angels masters with blood and flesh through many killings.

In this final hour, the desperate sinful man seeks only to pursue sin as right and as such the world is heading towards a worse end time Sodom and Gomorrah. There shall be much sorrow before the very end for man in desperate mind of sin shall bring the darkness of hell fully to the surface of the world.

For darkness shall soon be in the deep I shine my deep light so that man is kept still in record of truth so that you do not all perish.

To be free from sin you need to crucify your flesh for your flesh is the gateway of sin. Unless the flesh is dead then your body is subject to sin. A body in sin is subject to the wicked ruling of death. Only if your

*The truth*  
*In Jesus Own words –Part 1*

flesh is dead, shall your spiritual body be free from sin. No man in the flesh as flesh only is able to resist sinful temptations and if a man loves his sinful flesh it would only be at the detriment of his soul.

The essence and purpose of my coming to the world is to crucify the flesh for you so that you are free in your spirit from the bondage of sin that you are subject to as sinful flesh.

This is the hour of reckoning for many deceivers have come to the world to deceive you for they know that the final hour of judgment is around the corner and unless you choose wisely and repent fully in these final hours, your soul will perish forever in sinful death.

To be the wise in the world is to admit that you do not know the answers as you believe you know it and as such seek in humble heart of an innocent child to discover the real truth. To be foolish is to think that you already know all that you need to know and if you think you already know the truth and all that you have is lies then you will not seek to find the truth. This is my final testimony word to you as the Holy Ghost and if you reject the testimony of I the Holy Ghost you never shall find my forgiveness.

## **AWAKE OH JEWS AND GENTILES**

---

Arise now oh ye Jews and Gentiles that are still wondering around back and forth outside the gate. For the light has come again shining greater in your eyes so that you do not perish in the lies of death. Let those that have ears hear for those that refuse to hear shall end up in eternal lake of fire to suffer forever with their alien masters. This is my final hour call of repentance to all nations. I am the truth, the way and the life and unless you are in me you shall be locked out of the gate. The clock is ticking and if you make the wrong use of time, you shall be lost forever.

I have given you time for regeneration purposes and if any man seeks forgiveness from me from their heart I shall forgive them of their sins.

I do not want the death of a sinner but for them to repent. I created you in free will and to have the benefit of life you must out of your free will choose goodness even though you know evil. I have made way for you to make this important life choice by making my living word available in the natural and those that search in the right mind shall find me.

Only the wise shall inherit the kingdom of life for the fools that think they are wise shows no wisdom. Hence, they cannot partake in the

*The truth*  
*In Jesus Own words –Part 1*

proceeds of life that I as wisdom put together as goodness rewards of life for goodness sakes of life.

You are all at a journey and you have now reached the final junction whereby many says they are the way. How shall you know the way unless you are in divine wisdom mind search? For all cannot be the way to heaven for there is only one way and this one way you will find in my straight line of covenant.

I speak to open your eyes and I say to see in the spiritual you must close your eyes to the many lies that are in the visible. The visible is the opposite order of life. Beauty appears as ugliness and ugliness appears as beauty. Black appears as white and white appears as black. The strong appears as weak and the weak appears as strong. The living appears to be suffering and the dead appears to be having all the fun. No one that is in evil for evil sake shall inherit the goodness of life and unless you truly are of life you cannot enter into heaven to eat of the tree of life.

I only can give you living fruits from the tree of life. I am the same yesterday, today and forever and I always I AM THAT I AM the Holy Trinity one and only God. My testimony is of the whole truth and no other greater testimony shall be than this, which I give you now. I have opened up my channel of life to afford you an up to date version gospel truth. Spreading fables and lies is the job of the dead souls for

*The truth*  
*In Jesus Own words –Part 1*

all they are in mind of is to serve the objective purpose of their evil dead his masters, which is to create nothing but confusions. Be wise and seek to have spiritual discernment so that you do not waste your time believing that you serve me when all the time you know me not and I know you not. As the true word, I speak now for as the word I am the living not the dead hence even though lies may go on for a thousand year one day the truth shall come out for all to see.

This is hour and moment of the gospel truth. I have said seek ye first my kingdom and righteousness and all this things shall be added unto you.

Today, I say again seek ye the kingdom through the straight line of covenant and you will find that I Christ I am really the way to eternal life and as the way to eternal life, life entire whole truth revealed.

Shalom, I say to you again oh ye Saints. Hold on and persevere in serving your time purpose for in me the world that seeks to judge you is under you hence cannot cause your soul any real harm. Be strong and be of a good cheer everyday in your walk of faith for I have already conquered the world for you. Let this be a record that I Christ I live and as the authority on all matters of life and death everlastingly the ultimate master in all dominion. So let it be written and so let it be given as it is written as the true account and testimony of I the Father, I the Son and I the Holy Ghost the everlasting creator and Almighty

*The truth*

God of the universe forever. Peace be unto ye saints and all the saints says (Amen)
